STATE OF MAINE

DEPARTMENT OF AUDIT

**List of Salaries of State Officers
and Employees as of
December 31, 1932**

By Authority of Chapter 2, Section 106
Revised Statutes 1930

**LIST OF STATE OFFICIALS AND EMPLOYEES DECEMBER
31, 1932, SHOWING SALARIES ON WEEKLY BASIS,
UNLESS OTHERWISE STATED**

Augusta, Maine
January 25, 1933

A part of former reports of the State Auditor which was of general interest was the payroll list of the State. Its publication is required by Chapter 2, Section 106, Revised Statutes. As the duties of the State Auditor relative to audit before payment were conferred upon the State Controller by the enactment of the Administrative Code, and the salary list, as appearing from records of this office, would be one year old when published, it seemed best to print at this time a salary report as of December 31, 1932. The following list, therefore, has been taken from the records filed in the office of the State Controller.

ELBERT D. HAYFORD,
State Auditor.
