Camp Preble, Portland, Me.

June 18th, 1861.

I, Nathan Walker, 2^d Lieut.
of Company F. of the 5th Reg-
iment have heard Captain
Josiah R. Brady of said Co.
F. say, in the presence of the
men of his command, that
the Colonel of the 5th Reg-
was a "damned fool" and
"did not know his duty",
and also make use of sim-
ilar expressions of disrespect
towards the Col. and other
members of the Staff - words
and expressions showing an
active disrespect and contempt
of said officers, and tending
to induce insubordination
and mutiny in the Regiment -
I cannot fix the particular
date upon which said Brady
made use of the epithets
and expressions, but have

But have heard him use
the same words times and
before several different
men of his command -
