

Augusta Aug 23, 1862

General,

I certify
Benjamin Parker
of Nassauborough
a vet in Co H 24 Reg. Vollen to
to go on board Gunboat on
the Mississippi, and is badly
used up. Has lost his eye sight
and hearing, and has falling
sickness. It is very difficult
to make him understand any
thing. Has no discharge yet
but will have one shortly he
says - at any rate I should think
him entitled to one.

G. E. Robbins of
Nassauborough
Enlisted in the 29 Main Co G

was wounded and taken
 prisoner at Gains Hill.
 Is now at home in parole
 Will report soon at Augusta.
 Does not want a discharge
