Saw 1-11  
To the Governor and Hon<sup>ble</sup> Council

The Subscribers Selectmen of the town  
of Sturton in the County of Somerset  
humbly represent, that Michael  
Sawter Esquire the present Sheriff  
of said County has, in our opinion,  
executed the duties of said office with  
integrity and prudence -

We have no doubt it would be for  
the interest of the County, that Mr Saw-  
ter should be continued in office, and  
we believe this reappointment would  
meet the approbation of a majority  
of the inhabitants of the County
