

Oldtown Sept 30 1861

Mr

Hedden Dr Sir

I have recruited 23 men  
all of the right kind I  
would like to go in this regiment  
myself and would like also  
a commission in the company  
I am capable of commanding  
a company and would like  
a captains commission

I have done a good in helping  
get up all the companies  
that have gone from here on  
now. I will go myself I shall  
come on with these men when  
you send for them they want  
our band to go I belong to  
the band but that will not  
pay me enough for I have  
a large family to look out

and take care if  
you will send for me  
and my men to letters  
before they choose officers  
I can get what I want in  
the company my men  
are ready at any time  
when you send for them I  
shall 30 men by tomorrow  
all good men in Boston

Yours  
G. Weston
