

Augusta. Sept 8. 1862

Sir,

The letter herewith enclosed addressed to you was handed me by Capt Ebene^r Childs of Farmington who intended to see you, fail^d to do so you being absent. He has a son James W Childs who I believe is an orderly Sergeant Co G. of the 16th Regt. The father's object is seeing you was to obtain for his son a Lieutenant (knowing he being a proper object, as regards Character and education for your favorable consideration - I have been personally acquainted with Capt Childs for many years and can cheerfully certify that he is entitled for his services as a Captain in the War of 1812, and personal Character to any favor you may confer on him or family -

Very Respectfully,

Your Obedt Servt
