

THIRTY-NINTH CONGRESS, 1865

HOUSE OF REPRESENTATIVES.

Washington, D.C. Dec 18 1865

Sir,

I learn that John Peltier,
the present Indian Agent of the
Pannamagwaddy tribe declines
to act any longer in that capacity.
That Geo H Broadman is an
applicant for the place. Mr
Broadman would make an excellent
man, well qualified every way. I
hope he may receive the appointment

Yours respectfully

E. A. Pehr

Sir Comy.

State of Maine A D 1867.

To the Hon Governor & Council.

In the matter of appointing an
Agent for the Passamaquoddy tribe of Indians.

from Washington County-
We, members of the Legislature, having
had an opportunity - to learn of all the candidates,
and having consulted with the Representatives
of said tribe, as to the choice of the Indians,
and seeing the necessity, that the Agent
should be centrally located, and believing
that David Gordon of Calais is "Honest
& Capable", respectfully request that said
Gordon may be appointed Agent of said
tribe.

Augusta Feb 14th 1867.
