

To the Hon Israel Washburn Jr
Gov of Maine

Dear Sir

The undersigned citizens of Levant are well acquainted with Justin P. Briggs of this town, and are happy to bear testimony to his moral worth, integrity, and ability. And learning that he has decided to enlist in the service of his country, cheerfully recommend him as a suitable person to occupy a position more exalted and responsible than that of a common Soldier, and respectfully ask his appointment to a Lieutenant or assistant Quartermaster.
