

Head Quarters 4<sup>th</sup> Reg Maine Inf  
Oct 2 1861

Sir

I received a letter from Home yesterday and was informed that Mr Hall would not be able to raise the company in Rockland. As active operations have commenced I wish very much to have ~~the~~ Co. H. here - if you will do me the favour to send for company at once it would put my Regiment in good condition - Capt Biss has all the papers necessary -

I am detailed on special service this morning & write in haste -

Yours truly -

Hon Isaac Washburn Jr
