Gen. J. L. Hodgeson

Augusta

Dear Sir:

By my request Danl. Crosby Esq - a brother of Capt. Henry Crosby - has enclosed the enclosed Biographical Sketch of Capt. C. I think he has done his brother no more than justice in any particular, in some respects has hardly done so much as that -

I have some fears you may deem it too lengthy for your Report; if so, and you will return it to me, I will have it reduced to such a compass as you may be pleased to indicate -

Yours very truly
Isaiah Putson.
