Hon Isaac Washburn Esq

Dear Sir

I understand
that two or three Majors are
to be appointed for the Cavalry
Regiment now organizing in
this State. Permit me respectfully
to advise the appointment of
Capt George Prince of this City who
is engaged, and very successful
in recruiting for that Service. Capt
Prince is a well educated man,
active, prompt and persevering,
he has been President of the City
Marine Insurance Company for the
last four or five years, has managed
very skilfully, and ^{to} the satisfac-
tion of all interested, he holds
an honorable position in Society

During his younger days he
he had active experience in
Military matters, and his app-
ointment would show an
intention to place the right
men in the right positions

Very respectfully
Your Friend & Obedt
Roland Fisher
