

# Head Quarters,

85.

Fifth Regiment, M. V. M.

Camp Preble, Portland, Me.

June 20. 1861.

Dear Sir:

We are full of anxiety about the question of Surgeon for we have no one upon whom we could call. When the power to appoint an Asst. Surgeon was with the Col. I made the appointment of Dr. Warren but Dr. Garrison has no recognition him for he has appointed Dr. Perry who has stood afar and done nothing for the Regiment. We cannot be kept in this suspense any longer. We do hope you will telegraph us so that Dr. Warren at least may go to work for I have no right to call upon Dr. Bustan for I do not know that he is the Surgeon of the Reg.

Yours truly

M. W. Durrell
