

Winterset July 15th 1862,
To Hon Isaac Washburn

Dear Sir

The undersigned
citizens of Winterset, would respectfully represent
that in our opinion the town of Winterset has
furnished as many men for the war as any town
in the state containing the same number of inhab-
itants, and that there is only one person from this
town now in Commission viz J. H. Council of the 14th
Regiment.

We would therefore respectfully request
that our fellow citizen Mr Albert E. Fernald receive
an appointment in one of the regiments now being
raised in this state, as we consider him every way
competent.

Respectfully Yours O. F. F.
