Camp Preble, Portland, Me.

June 22, 1861.

My Dear Sir,

We are regretting all - and
think we shall without any fail be ready
to march on Thursday morning - We
want our full horses to be taken in
before the cars at Portland while we
wait for Boston - Arrangements never
be made for our horses - C. C. Hayes
who is here has been a great offender
public offender & we want him
to go on to work with us - He has
- quarrelled with all our commanding & all

As of your service was while
on our way to work - Should I obtain
a chief wagoner, or is there not such
an officer - Please inform me & let
me know I can obtain. Is your do
not obtain - We want one grand boss
have man -

Yours truly

M. W. Dummer.
