

State of Maine.

Executive Department,

Augusta, June 24, 1861.

Col. E. K. Harding

Dear Sir,

I desire that you will examine & inspect the Hospital wagons, to be forwarded by 5th Regiment, & see that they are according to the Specifications at Kimball & Clements.

I would advise that you see that Col. Durnell, I. M. is supplied with hammers, nails & such fixing, as may be useful.

Yours truly

Washburn
