That he enlisted in a Massachusetts Regiment of Artillery, commanded by Capt. John Crane, in the Army of the Revolution, on the first of March 1781, at Old Fort, then in the State of Massachusetts, where he then resides, that he enlisted of age, to serve three years, or during the war, if served during the war a full year, to full December 1783 when he was honorably discharged. That neither he nor other claimant under him have ever received a grant of land or money from the Commonwealth of Massachusetts, or that he is justly entitled to a grant under the provisions of said Resolve.

Subscribed return to the day & year above written.

Before PHZ Williams, Justice of the Peace.
Castine July 24. 1835

Sir,

I enclose an application of Theodore Bowdoin for a grant of land, under the resolution of March 7, 1835—As the applicant receives a pension from the United States for the same services named in his declaration, I suppose his declaration, with the documents in the possession of the land agent, would be sufficient to establish his claim. Will you inform me if further evidence of his services is required? Without the construction given to said resolution, his services as declared entitle him to the grant.

Yours very truly,
