

Portland July 1. 1861
John L. Hodsdon Esq
Adjutant Genl
Sir,

My
accounts as Assistant Commissary
of Subsistence attached to the Fifth
Regiment M. V. M. will be ready for
auditing as soon as notice is furnished
from the Governor and Council.

I was requested by Col Harding
to continue to provide, in connection
with Major Dyer, for the Sixth,
now in Camp Noble, and have done
so, but as the organization is imperfect,
the business could not be completed
with the same accuracy that it will be
after the election and appointment
of Officers.

Respectfully

L. Bradford
