Nov 4th 1862.

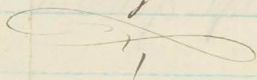

"To" John L. Hodgdon
"Agt. general" of "Augusta" M.E.
"Dir Sir"

I take my in hand to write
To you and see if you will
Send me a descriptive list I have
Written to my Captain sometime
Ago for it but have not
Received any answer from it
And so I thought I would
Write and see if you would
Not send me one I have been
Sick ever since last August
And I would like my discharge
But I cannot get ^{it} unless I have
my descriptive list and if you
Send it to me I will ^{be} greatly

Oblige to you, for I am
Suffering great in this place
And you shall receive the
greatest kindness from me,
yours in haste
