

# Head Quarters, 15.

FIFTH REGIMENT,

Maine Volunteer Militia.

Washington, D.C.  
July 7.

My Dear Sir:

Mr. Charles S. Robbins of Norway Maine came on to Washington in charge of a portion of the horses belonging to the Fifth Reg. He came here at the request of Mr. Russell & J. M. Merrill - His services were of great value, for he had an excellent knowledge of horses, and at the same a practical knowledge of the best means for their transportation. Should you have occasion for his services again, I can assure <sup>you</sup> that he would well & faithfully serve the State.

Very Respectfully  
Yours Ch. St.

Mark H. Dummer

Hon. V. Washburn Jr  
Gov. of Maine.
