

Range, Sept 4, 1861.

Gov Washburn

Dr. Sir.

I am told that the 2nd Lieutenancy in Co A 2nd Reg^t is vacant and would suggest without intending to be obtrusive, that the appointment of Saml. ⁷³ Sturckley now of same Reg^t would be in my opinion, regarded with favor among our citizens for his meritorious conduct in the battle of Bull Run as referred to in the report of Colo. Keyes.

Respectfully Yours

Chas. E. Phillips
