

Solon Maine
July 26th 1862,
Gov Washburn.

Dear sir, I
learned yesterday that Dr Bennett
of New Portland had
been appointed asst surg to
some of our new regts, That
is a fine appointment, I would
suggest that a situation be given
en him as soon as practicable,
for he is an efficient man
much better than he appears
to be, The regt that has his
services will be proud of
them,

With great resp^t

Your obt servt,

J. St Houghton M.D.
