1861-11-25 Mayor James White and citizens of Belfast recommend L.B. Bisbee for appointment as Adjutant

James P. White
To Hon. Israel Washburn Jr., Governor of the State of Maine:

The undersigned citizens of Belfast, move respectfully to recommend Mr. L. B. Bibbee of this city for the appointment of Adjutant in one of the Regiments about to be raised in this State. Mr. Bibbee enlisted in the city guard in May last, and has since been promoted to second lieutenant of that company. He is, what we are sorry to say is not the case with all the officers; thorough going temperance man in principle and practice and from what we know and have heard of him, we have no doubt of his qualifications for the office, and do most earnestly urge his appointment.

Belfast, November 25, 1861.
