

Belfast Nov 27 1861

Hon J. Washburn Jr.,

Sir,

Lieut. S. B. Bisbee of this city now in the City-Grays from Belfast is recommended by many of our citizens for the position of Adjutant in one of the Regiments about to be raised. He is an excellent officer, and gives perfect satisfaction in the place he now holds, but all who are acquainted with him wish very much his promotion.

I am well acquainted with the gentleman and know that he is in all respects well qualified to fill the place named or any other of like grade, I would therefore respectfully request that he be appointed to the position or any other of similar or equal grade in one of the new I am very Respectfully
Yours &c. &c.
