My Dear Sir. Mr. Dr. Baylun
will be able to return to my
Wey. I hope you will make
an easy adjustment for
as we are suffering very
greatly for want of a
good Surgeon - And I would
recommend Dr. Br. Chitts
as a very judicious &
man very well worth of
the place, even it would

please me of the appl.
 could be enforced upon
 him. 11 4 8

Yours Truly
