Wash. D.C.

Aug. 14.

Dear Sir:

As soon as all the va-
cancies occur, we shall make
in filling up. I have been sick
9 days & don't know what has
been in Camp.

Capt. H. A. A. Resig-
- Notion - Capt. Tobie ditto. Capt.
Hays ditto - Lieut. Gurney ditto.
Lieut. Bonington. Killed in fear -
Lieut. William & John S. Martin etc
both natives. Lieut. Dyer & H. etc
etc etc. Capt. Thomas promotion
Lieut. Monson ditto. Capt. Sayer
Reg? There are all well, & hope
whats more will be at present.
You shall hear from me again
or else in a day or two -

I did hope you would not
accept the resignation of
G. M. Davis until he pre-
sents to you a full &
complete report. The St. L.
be compelled to do
some things in our eyes.

The Regt. has been deprived
of some funds money which
was paid out, and etc.
in need.

I hope you will
hold Mr. M. up to the
work.

When you are here in
Camp. Col. H. wants in with
a regular report. This
hope that you would fur-
nish for an Army Reg-
iment at least a charge

of shirts for it is to be true that
many of our men have worn
one shirt for three months
& can now come with lice.
They are ankylosis & full of com-
plaints - they must be supplied
with a new shirt that they be able
at once - The G. G. is so slow
they are not to be used for shirts?
What can be done to
remedy our Marine Regiments?
The 3^d & 5th regts need 200
men each.

Yours etc

W. W. Dummer
