Gen J. S. Halden

Mr Hunt has seen
Vice Pres Hamlin today, and has
a letter from him to Gen Washburn
the tenor of which you will learn
tomorrow. I am satisfied
with the arrangement of today
for myself but thought proper to
wait one day and let Mr Hunt
see Mr Gov before taking any defi-
nite steps towards a change, but
will prepare my men for it tomorrow
Will you after seeing Mr Hunt
write me a word of advice whether
to wait or to send my men over
to Augusta

Very Resp Servs
Geo. M. Brown
