Dear Sir

Mr Baker

has made arrangements
to "decrut" in the Country &
return Friday next, a letter
came for him & right from
one of the Boys in Camp
requesting him to come down
& see about their Clothing &
Shoe Leather, &c &c I presume
some few may be in immediate
need of Clothing & Boots, I
understand very well that
such articles will be furnished
as early as possible, & trust
they will be as patient, as ~~possible~~

I have decruted Eight
who are anxious to be called
to Augusta, I hope to have

T. H. DINSMORE,
Fire and Life Insurance Agent,

SKOWHEGAN, Me.

CAPITAL REPRESENTED OVER \$2,000,000.

ALSO DEALER IN

PIANOS AND MELODEONS.

And Agent for Securing

California Tickets.

Fifteen by Thursday morning
I am very sure we shall
be able to fill the ranks of
the Co within ten days.

If you could inform
me when our men will
be ordered down it would
be a satisfaction to them
as some wish to remain
at home "to arrange matters
over" untill needed.

Yours truly

T. H. Dinsmore
