*This 1968 Oceana Is
Dedicated to
Mr. Thompson.*

We give much thanks to Mr. Thompson. He came here in 1966 as our new biology teacher, and since then, he has served us in many ways.

All of his students experience his vitality. None will forget his annual bus trips to Boston or his informative field trips. Because of him, our years at Old Orchard Beach High have become a little brighter.

Homecoming "1967"

November 11 was a memorable day for most students. The night before pep club members had placed posters all over the town. The day began with a parade.

The senior class worked hard on the homecoming decorations. Although we did not beat the Rams, we had a beautiful homecoming dance. Dawn Cronin and Ben Lariviere were elected the homecoming queen and king.

Senior Class History

We, the seniors of 1968, look upon our past four years with mixed emotions. We have been through many trials and tribulations, and we are proud of our accomplishments.

Like all incoming freshmen, we had to make a transition from junior high. We had to get use to starting over again from the bottom of the social ladder. We witnessed the ideals of responsibility and student government. We were not the only newcomers to the school; our freshman year was a literal "RAT RACE."

During our sophomore year, we were faced with the disappointment of not receiving our class rings. To build our treasury we tried lighting up the town with light bulbs.

As juniors we were happy to receive our newly styled rings. Our greatest achievement of our high school years was the Junior Prom. It was agreed by all that our prom was the best ever to be presented in the school. During this year, through the misfortune of losing our

junior high school, we were forced to go on double sessions. This brought on many difficulties. We had to double up on lockers, and we were forced to attend at early hours. The greatest moment of this year was at Last Assembly when Mr. Le Pelletier said, "Seniors may pass."

As incoming seniors, we were the leaders of our school and received traditional privileges. The greatest accomplishment of our senior year was Homecoming Weekend. Even though our football season was not very successful, the spirit for the Homecoming was high. This spirit was due to the outstanding rally which was put on by the football players and the cheerleaders. Now all the seniors are combining their enthusiasm to form committees for the Class Will, Ode and Prophecy, and of course, Class Night.

As we close the door on our senior year, we look back on our high school days with feelings of pleasure, but most of all, we look forward to the future with feelings of hope and prosperity.

The Junior Senior Prom

The climax of the 1967 school year was the Junior-Senior Prom, which is presented each year by the juniors. This year's theme was Moon River. John E. Trull and his orchestra provided entertainment.

The Hall was decorated with blue, yellow, and green streamers. Flower gardens were placed around the dance floor. A rock Bridge, a waterfall, and a Lover's Tunnel also added to the decorations.

Highlighting the evening was the grand march. Following the grand march was the crowning of the prom queen, June Dubuc, by Mr. Lepelletier.

The Student Council and the Senior Class combined in joint effort to produce our first Winter Carnival Ball. Activities for Winter Weekend were to include a snow sculpture display.

W i n t e r C a r n i v a l B a l

Because of a lack of sufficient snow, the sculptures were cancelled. In spite of it all, the Winter Wonderland Ball was quite beautiful. The gym was decorated with white and blue streamers. The stage was decorated with gold and silver decorations. Couples danced from eight 'til midnight. All voted, and Rhonda Mahar and Guy Roberge were elected queen and king.

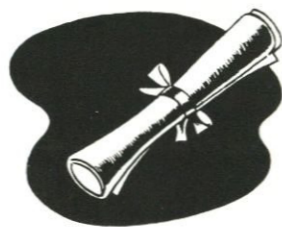

Graduation 1967

The Seniors of 1968 take this one page to salute the seniors of 1967.

As the Grand Marshall leads them down the isle they begin to see a new life ahead.

They say good-bye and leave their underclassmen, who someday will do the same.
