

Pamper Sept 19/86

Gov J. Washburn Jr

Dear Sir

I do not wish to be too troublesome to you but I would enquire if a Regt of Home Guards would be expected to serve until Spring. I find by talking with Officers that there is a large lot of first rate men that would like to go for a winter campaign that cannot go for 3 years. Such a Regt could be raised in a very short time and would contain a splendid lot of men if you can give my encouragement. I shall meet a no of Co's next week at Muster and will look into the matter further and give you further particulars. Such a Regt would suit me first rate. If that cannot go. and you want another Co raised here I will take hold of it.

Very Respectfully
Dana White
