Enclosed please find
my Roll made up tonight for tomorrow
morning. I think I have as good looking
a squad as you have seen yet.
We shall come Thursday. Do I need a
requisition? I have taken four horses
that are fully up to standard, should miss
getting six good men if I did not take the
horses. Mess Arnold & Danforth left town
to day so could not refer the matter to them.
What shall I do with the horses?

Respectfully
