**REPORT OF THE SCARBOROUGH
FIRE DEPARTMENT**

To the Selectmen and Citizens
of the Town of Scarborough:

This report is dedicated to the men of the Department who have given us another accident free year driving our apparatus on the road. With traffic accidents at a new high, we should encourage safe driving.

The past year 171 alarms were answered including 4 second alarms, 3 out of town calls, and 20 rescue squad calls.

The Fire Prevention Week program introduced into the homes by the children of the primary and grammar schools was very well received. This, in addition to posters, brought attention to the terrible loss of life and property by fire.

Scarborough Downs was used as a drill area both spring and fall, with evolutions in ladder and engine work.

Engine 7 at Oak Hill is in need of immediate replacement. Our last new piece of equipment, Engine 3 was delivered in 1940; thus a program of replacement including apparatus and a new Central Fire Station should be considered.

The men of the Department deserve commendation for their interest and work in maintaining the apparatus in top condition.

It is a pleasure to express my appreciation to the selectmen and all members of the Department for the fine cooperation rendered during 1953.

Respectfully submitted,

HENRY D. GOOLD

Chief of Fire Department

RESCUE SQUAD

In behalf of the rescue squad, the Scarborough Fire Department wishes to correct the misinterpretation placed upon the use of the rescue truck. As the unit is composed entirely of a trained voluntary group, it is neither possible nor feasible to offer regular ambulance service. Therefore we ask the people of Scarborough to recognize this unit as a rescue squad, to be called only in an acute emergency.

SEALER OF WEIGHTS AND MEASURES

I hereby submit report as Sealer of Weights and Measures for the Town of Scarborough for year ending Feb. 1, 1954.

39 Pumps

44 Scales.

F. HERBERT WENTWORTH

Sealer

Town Clerk's Report

I hereby submit to you a report of the Town Clerk's Office for the past year for your approval.

The Annual Town Meeting was held March 2, 1953.

One Special Town Meeting was held May 28, 1953.

One Special Election was held October 5, 1953.

There were 99 Births, 66 Marriages and 75 Deaths recorded for the year.

NOTICE

The Maine State Library, Augusta, Maine, lacks the following reports of this town: For the years ending 1863, 1865, 1866, 1867, 1873, 1877, 1879, 1883, 1887, and anything prior to 1862.

It will appreciate information about available reports.

Respectfully submitted,

NORMAN E. MORSE

Town Clerk

Report of the Superintendent of Schools

To the SUPERINTENDING SCHOOL COMMITTEE
of the Town of Scarborough:

This sixth annual report of your present Superintendent of Schools is submitted at the end of the fiscal year, ending January 31, 1954.

While this annual report is required by law, it is obvious that the limitations of space preclude detailed discussions of all phases of the school program. Much of this detail is taken up in the Superintendent's monthly reports to the committee, and also during the course of regular school committee meetings.

Enrollments

Nearly all of Scarborough's educational problems stem from the rapidly increasing town population, and the great increase in school enrollments which is a result. The following tabulation shown January 1, enrollments in both High and Elementary Schools, over the period from January 1, 1947 to the present:

	High Elementary			Cumulative	
	School	School	Total	Increase	Increase
January 1, 1947	139	613	752		
January 1, 1948	158	662	820	68	68
January 1, 1949	181	719	900	80	148
January 1, 1950	206	772	978	78	226
January 1, 1951	205	783	988	10	236
January 1, 1952	221	827	1048	60	296
January 1, 1953	206	876	1082	34	330
January 1, 1954	217	987	1204	122	452

It should be noted that during this seven-year period, the net growth in enrollment has been 452 pupils, a 60 per cent increase, without the construction of new school buildings. The completion of the new high school which is expected during the coming summer will largely relieve the over-crowding which has become acute during the period of rapidly increasing enrollment.

While this over-crowding has been tempered in some instances by occupying basement and other sub-standard classrooms, there were never enough of these facilities available to the department to fully relieve the situation. A total of eight such rooms are presently in use, and under proposed re-scheduling to take effect next fall, this number will be reduced to two when the elementary schools are able to use the old high school building. A tabulation of the enrollment, by grades, in all schools, as of January 1, 1954 follows.

January 1, 1954

	JP	1	2	3	4	5	6	7	8	9	10	11	12	Tot.
Scarborough High School										71	52	59	35	217
Oak Hill Primary		45	56	44	37									182
Oak Hill Grammar		28				39	61	59	35					222
Jr. Primary, K. P. Hall		95												95
North Scarborough	14	6	4	6										30
Libby School	11	11	7	7										36
Dunstan		40	23	38	74	68	38	37	39					357
Blue Point	16	12	7											35
Pine Point	7	12	7	4										30
Totals	143	154	104	99	111	107	99	96	74	71	52	59	35	1204

Academic Progress

While the factor of a number of over-crowded classrooms, and teachers who are overburdened with too many pupils, remains with your school department, academic achievement is acceptable.

To the Scarborough teachers, some of whom are working under great difficulties, a great deal of admiration and gratitude is due. These teachers have in many instances worked in undesirable quarters, and with heavy class loads as a matter of pride in their profession and interest in the children of Scarborough.

If appropriations at the coming town meeting are sufficient to allow the employment of added teachers, most of these objections will be removed and a happier situation for parents, pupils, and teachers alike will be evident.

School Plant

School buildings in Scarborough continue to be maintained at a good level of repair, and would appear to meet generally accepted standards for the physical welfare of the pupils attending them.

The installation of automatic oil heat in the Oak Hill Grammar School during the past summer, has greatly added to the efficiency of heating that school, and has in general allowed the building's heating system to adapt itself to rapid changes in the weather. In the economy concept, an automatic heating system will reflect possible economies due to an unusually warm winter more quickly than a hand-fired coal burning system can.

The school department continues to occupy quarters in two non-school buildings. It has been very fortunate in having available to it, the Parish House of the West Scarborough Methodist Church, in which the first grade

at Dunstan School now functions, as well as the public hall at the Knights of Pythias Building at Oak Hill which houses the Junior Primary grades of both Dunstan and Oak Hill. These temporary quarters have been safe and comfortable, and a very great aid to the school department.

With the receipt of necessary steel, and the comparatively open winter, which has been experienced up to the present, work on the new high school building has proceeded satisfactorily. It now seems quite evident that the school department will be able to occupy this building in September, 1954, turning the old high school building into an upper grades elementary school as planned.

Personnel

During the past year, the Scarborough School Department was extremely fortunate in having the lowest turnover in personnel of any community in the area. Only three left the departments employ: Horace P. Maxcy, Principal of Scarborough High School; Seth N. Snipe, Commercial Department; and Robert Southworth, Mathematics. These positions were filled by the election of those teachers in the following list whose names are asterisked. The two additional teachers engaged are shown in the list with the double asterisks.

SCARBOROUGH HIGH SCHOOL

***Milton W. Knowlen**, Principal; ($\frac{1}{2}$) - (26 $\frac{1}{2}$); Education: Farmington Normal School, Boston University, B.S., Bates College (summer session); Boston University, Ed.M.; University of Maine (extensions).

FINANCE

While a complete financial statement of all school accounts will be found in another section of this annual report, it should be pointed out that, with a much larger increase in enrollment than was expected, and with much heavier repair bills on the school busses than in any recent years, the department operated within the bounds of its budget.

The discussion of the specific amounts to be requested of the town for operation through the year appears in the mimeographed budget message which is distributed throughout the town. Copies of that message are available to any resident of the town at the school houses, and also at the office of the selectmen.

In conclusion, I wish to express my appreciation and thanks to the Superintending School Committee, the Selectmen, the teaching staff, and other residents of the town with whom I have had dealings during the past year.

Respectfully submitted,

ROBERT B. LUNT

Superintendent of Schools

REPORT OF THE PRINCIPAL OF SCARBOROUGH HIGH SCHOOL

To the Superintending School Committee and
Superintendent of Schools of the Town of Scarborough
Gentlemen:

I herewith submit my first annual report as principal
of Scarborough High School.

The enrollment for the school year 1953-1954 is as follows:

	Boys	Girls	Total
Seniors	16	19	35
Juniors	24	35	59
Sophomores	26	26	62
Freshmen	41	30	71
Total			217

This enrollment shows no appreciable increase over 1952-1953 due to the small number in the senior class. From a study of available figures though it is evident to all that we can expect a sharp and continued increase yearly for several years.

I am happy to report that I have found high standards of instruction in our high school. Standards which I feel compare favorably with any in the state. Parents should be very proud and happy that their boys and girls are being held up to such standards, and that this is being accomplished with a minimum of disturbing emotions. A spirit of friendly cooperation prevails.

We were sorry to lose Mr. Southworth to the service early in the school year. However, we were most fortunate in securing the services of Mr. Bragdon to replace him. Mr. Bragdon has a background of work in mathematics which adds strength to that department.

Miss Chapman, the other new member of our staff, is functioning very efficiently in the Commercial Department. A few more typewriters should be added to our present equipment when possible to meet the needs of the increasing interest in the Commercial Course.

We are receiving excellent reports on former students now attending post secondary institutions. Several

members of our present senior class plan to enter college in the fall, and I am sure we will be well pleased with their accomplishments.

The Iowa Tests of Educational Development were given early in the year. The results have been analyzed and compared with those of previous tests. Continued progress is evident in most areas tested. The teachers are conscientiously studying the results and through such study hope to better provide for the individual differences in their groups.

We are still confronted here, as they are in all communities, with the problem of our young men not being able to make definite post-secondary education plans because of their obligations to military service. In our guidance activities and conferences we are urging and recommending those courses which will best enable these boys to take advantage not only of every opportunity presented while in the service but also any rights and benefits they may earn as a result of such service. Many of our boys are meeting their immediate obligations through membership in reserve units.

Plans for Career Day which will be held at North Yarmouth Academy are now being formulated by a committee composed of all Triple C principals and two students from each school. In as much as seniors' minds are pretty well made up by the time arrangements for such a day can be made, juniors rather than seniors will attend this year. Such a day is considered by educators to be an extremely valuable guidance practice. It is essential though that it be held early enough for a student to revise his program of study if necessary.

In conclusion, I wish to express my sincere thanks to all school officials, fellow teachers, and parents for the fine spirit of cooperation extended to me during this, my first year at Scarborough. Such cooperation

has made it possible for us all working together to better meet the educational needs of our students.

Respectfully submitted,

MILTON W. KNOWLEN

Principal

SCHOOL PHYSICIAN

This past year over five hundred children were examined in the schools and monthly clinics were conducted. It is gratifying to observe the general health improvement throughout the Scarboro Schools. Much credit is to be given to our town nurse, Mrs. Jensen. Our health officer, Mr. Sargent, the dental clinic and all people and civic groups that are interested and active in our health program.

PHILIP J. HAIGIS, D.O.

School Physician

SCARBOROUGH COMMUNITY NURSING SERVICE

To the Board of the Scarborough Community Nursing Service and the Citizens of the Town of Scarborough:

As Public Health Nurse I hereby submit my annual report of the work done during the past year.

There were 1,402 visits made to homes which included 1,250 visits for the care of the ill, besides infants and pre-school health supervision, and communicable disease control.

Child Health Conferences were held monthly in the nurse's office. Here the children are examined by the attending physician, and immunization for small pox, diphtheria, whooping cough, and tetanus is offered. Many patients, both children and adult, attend the various hospital and State clinics for treatment and diagnosis. Especially beneficial and helpful are the cardiac and crippled children's clinics.

Chest X-rays were given to sixty patients, which included school personnel and any citizens desiring the service.

Monthly meetings are held with the nurse and the Board of Directors of the Nursing Service. Reports are given and problems relating to the service and the community discussed. It was voted by the board to increase the nursing fee for bedside care from \$1.00 to \$2.00 per visit, and \$2.50 for appointment service. This increase is to start March 1st.

Schools

Dr. Haigis, School Physician, with the assistance of the nurse, examined 831 pupils during the year, and serious defects found were reported to the parents and advice and assistance given if necessary. 264 visits were made to the schools to check on any outbreak of communicable disease, and to discuss with the teachers any problems which might arise.

The communicable disease outbreak was comparatively mild with whooping cough and mumps leading all other diseases. Our few cases of polio are all making good recovery. 327 tuberculosis patch tests were given, and reactors sent for X-ray and checkup. All high school seniors were given free chest X-rays before graduation. 85 were vaccinated for small pox.

The dental clinic was carried on as usual one-half

day a week with Dr. Norman Blanchard as the dentist, assisted by Mrs. Doris Homer, and Mrs. Jane Soderberg. 88 children were treated with 301 fillings, 62 extractions, and 71 cleanings being done on this number.

The Lions Club again gave much valuable assistance in securing glasses, tonsillectomys, and clothing whenever needed. May I thank them for their kind and generous support.

I also wish to express my appreciation to the Town officials, nursing board members, teachers, and any others with whom my work brings me in contact, for their cooperation and friendliness.

Respectfully submitted,

PHILOMENE JENSEN

REPORT OF HEALTH OFFICER

To the Citizens of Scarborough:

In submitting my report as Health Officer I am pleased to report that again the number of cases of minor diseases were again comparatively low. Although for a few weeks there were a large number of cases of measles and mumps the total number of cases reported did not reach the number of last year. There were only five cases of scarlet fever reported. This disease has been on the decline for several years and hope it will continue.

There were about the usual number of dogs quarantined after biting persons, most of the owners being co-operative in confining them during the period required by law. I have had to remind several persons not to destroy the dogs during the quarantine period. How-

ever there was a case where the dog was disposed of before it could be reported. This case I reported to the District Health Office.

There has been a marked improvement in sewerage disposal problems. Complaints of defective systems have been less than for several years, probably due to the dry weather; however there has been a number of defective cesspools replaced with septic tank and approved absorption trench installations. Most of them have been state inspected and should give service well worth the cost.

There were more than sixty plumbing permits issued during 1953, mostly in new buildings. Many houses have been remodeled with entire new plumbing or new fixtures added; also there have been more homes off water lines that have had water systems installed than in passed years, most of them having modern plumbing installed.

There has been considerable trouble with unlicensed plumbers and others attempting to install plumbing without permits. This is prohibited by state law and in one case the plumber was threatened with prosecution by the state.

As always I have had much help from the District Office and the Division of Sanitary Engineering inspectors, so feel that health and sanitary conditions are as good as most communities.

In closing I wish to thank all who have aided in conducting this office during the year.

Respectfully submitted,

RALPH B. SARGENT

Health Officer

Warrant for Town Meeting

March 1, 1954

*To Benjamin F. Roberts, a Constable in the Town of Scarborough,
in the County of Cumberland:*

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Scarborough, qualified by law to vote in town affairs to assemble at the Town Hall on March 1, 1954 at nine-thirty A. M., to choose a Moderator to preside at said meeting: that the polls will be open at ten in the forenoon and will be closed at seven o'clock in the evening for the purpose of voting to elect the following officers: One (1) Selectman, Assessor and Overseer of Poor from the Third Parish for a term of three (3) years; Town Clerk for a term of one (1) year; Town Treasurer for a term of one (1) year; Tax Collector for a term of one (1) year; one (1) member of School Board from the Second Parish for a term of three (3) years; that the business session of the meeting will begin at 2:00 P. M. and will continue until the business to be transacted is exhausted; and also vote on the following Articles;

Article 1. To see if the Town will vote to accept and adopt the reports of the several Town Officers.

Budget Committee Recommends to accept Reports ✓

Article 2. To see what sum of money the Town will vote to raise and appropriate for the Support of Poor for the ensuing year.

Budget Committee Recommends \$10,000.00 ✓

Article 3. To see if the Town will vote to raise and appropriate the sum of \$175,683.96 for elementary and secondary schools, including teachers salaries, special education salaries and supplies, fuel, janitors wages and supplies, conveyance cost, testbooks, reference books, supplies for desk and laboratory use, public utility services, flags, replacement of instructional equipment, insurance, compensation of superintendent and office, attendance officer, medical inspection, and school cafeterias, for the ensuing year.

Budget Committee Recommends \$173,000.00 ✓

Article 4. To see if the Town will vote to raise and appropriate the sum of \$10,400.00 for repairs, equipment and rent for the elementary and secondary schools for the ensuing year.

Budget Committee Recommends \$9,000.00 ✓

Article 5. To see if the Town will vote to raise and appropriate the sum of \$7,541.71 for the purchase, operation, and maintenance of a new school bus.

Budget Committee Recommends \$2,000.00 to put in New Bus account ✓

Article 6. To see if the Town will vote to raise and appropriate the sum of \$43,424.75 for payment to the National Bank of Commerce of Portland, Trustee, as required by the provisions of the Lease Agreement entered into by the Town of Scarborough and the Maine School Building Authority as of February 1, 1952, by authority of the vote at the special town meeting of September 15, 1952, for the first payment, due December 1, 1954 in accordance with the terms of said agreement.

Budget Committee Recommends \$43,424.75 ✓

Article 7. To see if the Town will vote to authorize the Superintending School Committee to expend part or all of the balance remaining in the School Housing Project fund for alterations or additions, or both, to the old Scarborough High School building and its facilities.

Budget Committee Recommends Passage as read ✓

Article 8. To see if the Town will vote to raise and appropriate money necessary for the payment of school bonds for the ensuing year.

Budget Committee Recommends \$5,000.00 plus Interest ✓

Article 9. To see if the Town will vote to raise the sum of \$3,800.00 to continue the Scarborough Nursing service for the ensuing year. 3866

Budget Committee Recommends \$3,500.00

Article 10. To see if the Town will vote to raise the sum of \$600.00 for the support of Scarborough Public Library.

Budget Committee Recommends \$500.00 ✓

Article 11. To see what sum of money the Town will raise to be expended for Memorial purposes.

Budget Committee Recommends \$300.00 ✓

Article 12. To see if the Town will vote to raise and appropriate money necessary for the following: Electric Street Lights, Rental of Hydrants, Collecting Garbage and Rubbish, care of Town Dumps, Officers' Salaries, Office Clerk, Interest Charges, Contingency, and to defray other Town charges.

Budget Committee Recommends \$27,000.00 for Street Lights, Rental Hydrants, officers Salaries office Clerk, Interest Charges, Contingency, and other expenses, also \$7,000.00 which shall be expended by Road Dept. Collecting of Garbage & Rubbish and care of Town Dumps also authorize purchase of Garbage truck from this sum.

Article 13. To see if the Town will vote to authorize the Selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the Town, such loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Budget Committee Recommends \$130,000.00 ✓

Town of Scarborough, Maine

1954 ASSESSORS' NOTICE

In accordance with Chapter 81, Sec. 35, R. S. 1944, as amended, the Assessors of the Town of Scarborough hereby give notice to all persons liable to taxation in said town. that they will be in session at Selectmen's Office, Scarborough Town Hall in said town, on the 1st, 2nd, and 3rd of April, at 12 M. to 4 P.M. for the purpose of revising lists of the polls and estates taxable in said town.

RESIDENT OWNERS

All inhabitants of the Town of Scarborough, Maine, and all Administrators, Executors, Trustees, etc., of all estates taxable in said town of such persons are hereby notified to MAKE AND BRING INTO THE ASSESSORS TRUE AND PERFECT LISTS OF THEIR POLLS AND ALL THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 1954, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed.

ESTATES DISTRIBUTED

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

PERSONS DOOMED

And any resident owner who neglects to comply with this notice is thereby barred of his right to make appli-
