Dedicated To . . .

Mr. Paul Arden Nichols

Who is Mr. Paul Arden Nichols?

Well, Mr. Nichols is a man who has dedicated ten years of teaching service to the students of Old Orchard Beach. His goals have been to teach English to the willing and unwilling.

His interest in the subject is quite apparent as he conveys his enthusiasm to his able pupils. Bright eyes, wild gesticulations, and vehement speech accompany his lessons.

The Senior Class, as well as the rest of the school, thank him for all his efforts, attentions, and his time invested to benefit all. We hope he has a most rewarding future in all aspects of life.

Thank you again, Mr. Nichols!

A black and white photograph of a modern, single-story police building at night. The building has a flat roof and several windows. A bright light source, possibly a street lamp, is visible on the left, casting a glow on the building's facade. The overall scene is dark, with the building's lights providing the primary illumination.
