Gov. Wackburn

My Dear Sir:

I came here Saturday with a squad of men & am informed by Col. Sewall that he has decided upon Snow of Rockland & Hill, of Thomaston for Capt. in that section and that there are about twenty that expect Captaincy, -

He says he shall recommend Snow & Hill, as he knew not that I was recruiting for the 19th or expected a place

How is this, shall I have a Captcy. in this Regt?

I have already mustered in twenty men and by Thursday shall have from fifteen to twenty

mon - I go to Rockland to day
Will you please inform me
in relation to this matter of Captcy.
at your earliest convenience
and oblige.

Respectly,

Rach
