

Howeigan. Oct. 21st 61
Dear Sir -

Applications for enlistment
in the Somerset Company are
numerous, and I ~~intend~~
intend to take all the men
I can get today and tomorrow
hoping that we may be allowed
to fill up the company from
this county which we can
do in five days.

If we have got men
enough, and if you wish
me to close my operations
please inform me by return
mail - & oblige

Yours
C. B. Baker
