

THE SHIELD OF

LIBERTY!

Burlington Heights Fort Concord N.H. 27/61

I received your  
letter last night and  
in answer will say that I do  
not think I am wily to care  
in not answering the Boss I left  
them in the care to be under  
home long ago they know you  
now I suppose I saw them under

and directed I know they  
ought to have been sent <sup>in long ago</sup>  
but when we first saw here  
there was no draft of the Dept  
staying here and the fact that  
we had better delay issuing them  
in for a short time, but that  
was decided long ago and ought  
to have been sent long ago

Have you not received the list  
of books of the Bureau ~~for~~  
I sent it long ago and regret  
forgetting up the Bureau to be sure  
that one copy in all the copies

Yours most Respectfully

A. D. Hudson
