Gov Nathan
Stark

You were now asked to give
papers for enlistments. To two more patriotic,
plucky and intelligent young men than to
~~Mr. Gelman~~ and Mr. Samson. The team
of this note. And if you can by any possible
means give them the necessary papers for a
company in the 2^d Reg^t. They can break
into a host of young men who will be
glad to join under their command. and
do honor to our State.

Very Yours & Lst
