Hon J. Washburn Jr

Dear Sir

On my
return from Augusta to day
I found a letter from Capt
Scammon of 5th Maine Regiment
which informed me (by order
of Col. Dunne) that Quarter
Master Merrell, had or was
to resign; and that Col D
would like to appoint me to
that position if you considered
me eligible to the office, and
would give me a commission to
that effect

Yours truly

Moses G. Dow
