

The Four Corners

"Lives of great men all remind us
We can make our lives sublime
And departing leave behind us
Footprints on the sands of time . . .

. . . Let us then be up and doing,
With a heart for any fate;
Still achieving, still pursuing
Learn to labor and to wait."

*"A perfect woman nobly planned
To warm, to comfort, and command;
And yet a spirit still and bright,
With something of angelic light."*

To you Mrs. McMackin we owe a debt of gratitude, for you have served us unselfishly. You have warmed the halls of learning with the fires of heart and home.

Love and nurture children

Appreciate good counsel

We, the Class of Nineteen Fifty-six,
Affectionately dedicate this issue of
The Four Corners to

LENORA B. McMACKIN

"This be the woman's task
To crown the commonplace with gracious kindness,
To face the stress with serenity of soul,
And view each closing day with mind at peace."

"Every good and well organized group has to have a set of rules and regulations in order to maintain good standards of conduct.

Let each member of Scarborough High interpret these rules in a fair light, always remembering that his individual rights end where another's individual rights begin. In this way we will be living the Golden Rule which could, if practiced, be the only rule needed anywhere."

"Congratulations to the seniors of Scarborough High School for their successful school careers leading to the cap and gown. It is my hope that they will continue, through the coming periods of their lives, with the same high ideals and aspirations they have demonstrated as students."

"Five vocab tests at once, ho-hum!"

A lab period in chemistry is often exciting. When some of the seniors are experimenting anything can happen, and it usually does!

Busy Seniors

Library research for World Politics isn't as dull as it sounds! There's nothing like a subject of mutual interest to promote a friendship, is there?

"Is this supposed to turn green?"

"No talking, please."

"Keep with the rhythm, girls."

Typing to music is not only good practice; but it's fun. Speed and accuracy are the goals.

Sophomore

After a year at S.H.S. the greenish tinge has worn away, and we sophomores are really "up and doing." We're proud of our representatives on both the J.V. and Varsity Cheering Squads, as well as our boys on the J.V. Basketball team.

"Thank you, Mr. Lunt!"

Freshman

Feet dragged and hearts fluttered as our faltering footsteps carried us into high school, and we merged into a flock of frightened freshmen. We had partially recovered from the bewilderment and confusion of the first week when, still dewy-eyed, we were thrown to the mercy of the upperclassmen . . . freshman initiation!

Back row: D. Berry, N. Klein, R. Hillock, R. Deery, J. Hathaway, T. Libby, F. Melcher, R. Rowe, B. Taylor, D. Robichaud, H. Coulthard, P. Plummer, R. Buchanan. *Second row:* D. Huff, C. Peterson, G. Class

Being of hardy stock, we survived the ordeal to plan tortures for future freshmen. We secretly hope that if we pass, we shall leave our mark as the most active class at Scarborough High.

JUNIOR CLASS OFFICERS

The Junior slate of officers includes, left to right: L. Harmon, President; A. Marles, Vice President; J. Googins, Secretary; W. Bayley, Treasurer.

The Sophomores elected, left to right: L. Stimpson, Secretary; D. Sinclair, President; B. Coulthard, Vice President; R. Wellington, Treasurer.

As you can see the responsibilities of office weigh heavily upon these busy people.

President, S. Austin; Vice President, N. Silveira; Secretary, D. Perry; Treasurer, M. Silveira.

Notice, girls, a Margaret Chase Smith influence—two girls are president and vice president.

FELLOW STUDENTS:

On behalf of the Student Council I would like to thank our advisor, Mr. Libby, and all the teachers and students who have given of their time to make our assemblies and other activities successful.

Through my four years of Council duty I have been associated with a fine group of student representatives, and as president this year I have had splendid cooperation.

Next year I would suggest a larger number of representatives from each class, for the Council provides democratic experience and teaches good citizenship.

Future Homemakers of America

The F.H.A., one of the most active organizations in school, sponsors an annual Christmas party for pre-school children. This afternoon is enjoyed by the hostesses full as much as their young guests.

There's that fateful Sunday morning when Father learns his beautiful daughter is in love, and a wedding is in the offing. Little does Father realize the consequences when he says "Glad to meet you, Buckley!"

The problems have begun. Father's secretary threatens to resign. She loves helping with announcements and invitations, but "The lists have been tampered with!"

The guest lists are straightened out and the invitations sent. The maid answers the door, and it's a package for Miss Banks. Kay and Buckley carefully unwrap it with Mother Banks' guidance. After seven identical gifts arrive, Kay's "Oh, what a lovely tray!" loses some of its enthusiasm.

The fateful day draws near. Father's nerves are frayed and his bank account threatened; caterers, champagne, and new clothes are certainly expensive. Mother attempts to console him with, "A girl has only one wedding, Stanley!"

A beautiful June day and a lovely June bride! Father, gazing at his daughter proudly and realizing her happiness, feels any discomfort he has suffered is well worth it. As strains of "Oh, Promise Me" fill the room he asks softly, "You ready, Kitten?"

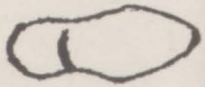

8:00 P.M. "Home for the holidays . . ." in Scarborough means

Confetti Ball

Students, Alumni, Faculty, and friends have gathered in the gymnasium. Everyone is waiting eagerly for the orchestra to begin.

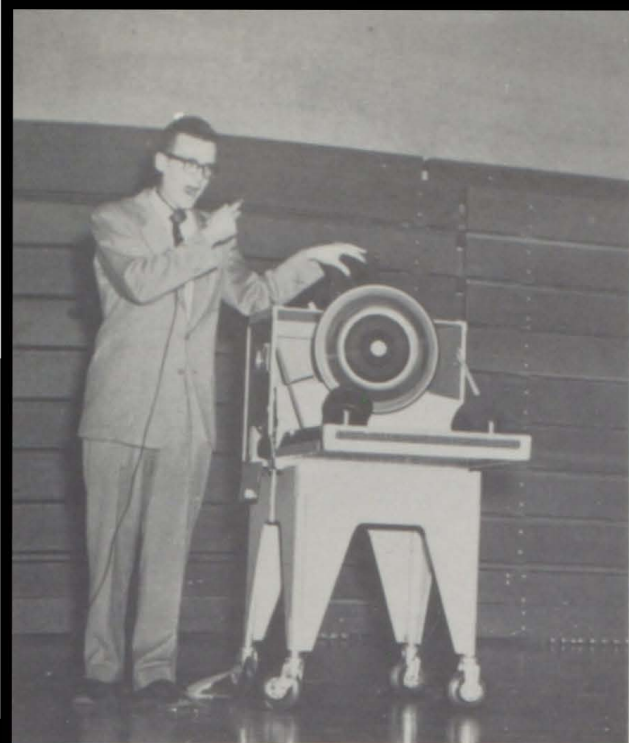

10:30 P.M. Festive gaiety subdued, we gather around the beautifully decorated stage. Our minds are filled with deeper thoughts as we sing "Silent Night, Holy Night . . ."

11:45 P.M. The Confetti Waltz at last! The dancers create a hall of multi-colored snow. As we leave we will pause to gaze at the room, realizing we leave behind us another indelible "footprint."

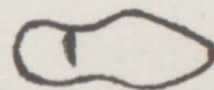

We watch closely as a G. E. representative demonstrates the use of a stroboscope, used to detect flaws in moving parts such as airplane propellers.

Harry Hughes wins a radio appearance for his prize essay in which he stated, "I speak for Democracy where freedom under law, religion, and human decency are each American citizen's heritage." Other contestants, left to right: R. Wellington, J. Mallett, N. Melcher, and R. Ahlquist.

Rifle Club

For the 1955-56 season Scarborough's Rifle Teams I and II are in the Blue League. We compete with many of the twelve other teams in the Junior Postal League during the year. Our score to date is Team I won one—lost three, Team II won two—lost two. Because the correct knowledge of the use of firearms is often a matter of life and death, we want to thank Mr. Southworth for his interest and expert guidance.

Boys' Swimming

Our only notable achievement in the Triple "C" Swimming Meet was that Alan Graves set a new record in the 50 yard backstroke of 29.6 seconds. This time was five seconds faster than his previous record set last year.

Soccer

The first Soccer team of S.H.S. completed a commendable season during the past fall. We finished with a record of two wins and two losses. The coming season, which will see the formation of a Triple "C" league, should be highly successful with the return of many veteran players.

Baseball

Our 1955 Baseball team had an excellent season winning six of its ball games and losing only four. This record placed us in the upper half of the league, since each team in the league played every other team once, a new policy for Triple "C" baseball. Although we lost, through graduation, Greg Hallett, Luke Merry, and Art McLellan, we look forward to bigger and better achievements this year.

TRIPLE "C" MEET RESULTS

Cape Elizabeth	Falmouth	Scarborough	N.Y.A.	Greely	Gorham
54½	35	20½	12½	8	2

The 1955 Track team was handicapped somewhat by the lack of fall practice facilities because of the change-over to our new building. However, with the coming of spring they literally dug themselves a new field and went to work. With two preliminary warm-up meets under their belts, Scarborough's trackmen settled down to business at the Annual Triple "C" Meet. There they placed third, taking honors in several events. The most notable performance was turned in by Dick Rice, whose amazing javelin throw of 149 feet bettered his early season's throws by 35 feet.

Girls' Basketball

Under the leadership of Coach Thorndike the Scarborough Squaws improved greatly. Mary Mallory the speedy, pace-setting captain has been an excellent representative of our team throughout the season. She has been chosen as next year's captain and, without any doubt, will play a major part in the team's success. Thelma Libby placed fourth in the Regional Foul Shooting contest. Scarborough girls should present a challenge to our next year's opponents.

We, the Seniors about to join the hundreds of graduates from S.H.S., realize that a permanent printed record of our high school days would be an impossibility without the financial aid of you who have already learned to "labor and to wait." It is our sincere wish that you will feel amply repaid as you follow our footprints from cover to cover.

The Best Yearbooks are TAYLOR-MADE

"Lives of great men all remind us
We can make our lives sublime
And departing leave behind us
Footprints on the sands of time . . .

... Let us then be up and doing,
With a heart for any fate;
Still achieving, still pursuing
Learn to labor and to wait."
