Gen. Washburn:

Dear Sir:

My brother, Samuel Hamblen, enlisted from the present Senior Class of M. C. College, as ^{Orderly} Sergeant of Com. & 3rd. Mass. Reg. and has been at Wash. since May.

He would like a commission in some new Reg. and would prefer the Adjutantcy of the Twelfth or any other not engaged. He is 25 years old 6 feet high and weighs 178½ lbs. He is recommended by his Col. Lt. Col. May, Capt. & Chap. and any further information in regard to either of us can be obtained of the Faculty of M. C. College and the Bureau men of the
