You will see the above Recommendations  
are all in the regular line & that that of  
Lacey the Capt of Co H Archer is  
less than a Sgt Major Lacey is  
much of a military man and has  
action & seen it not perhaps to recommend  
him to you for promotion

All are in the regular line except that of  
 Lantry. The Capt of Co H ordered me to  
 leave his name as Sgt Major Lantry is so  
 much of a military man will have been so

Much of a history there are the last  
action I deem it not improper to recommend

action I deem it not proper to recommend
