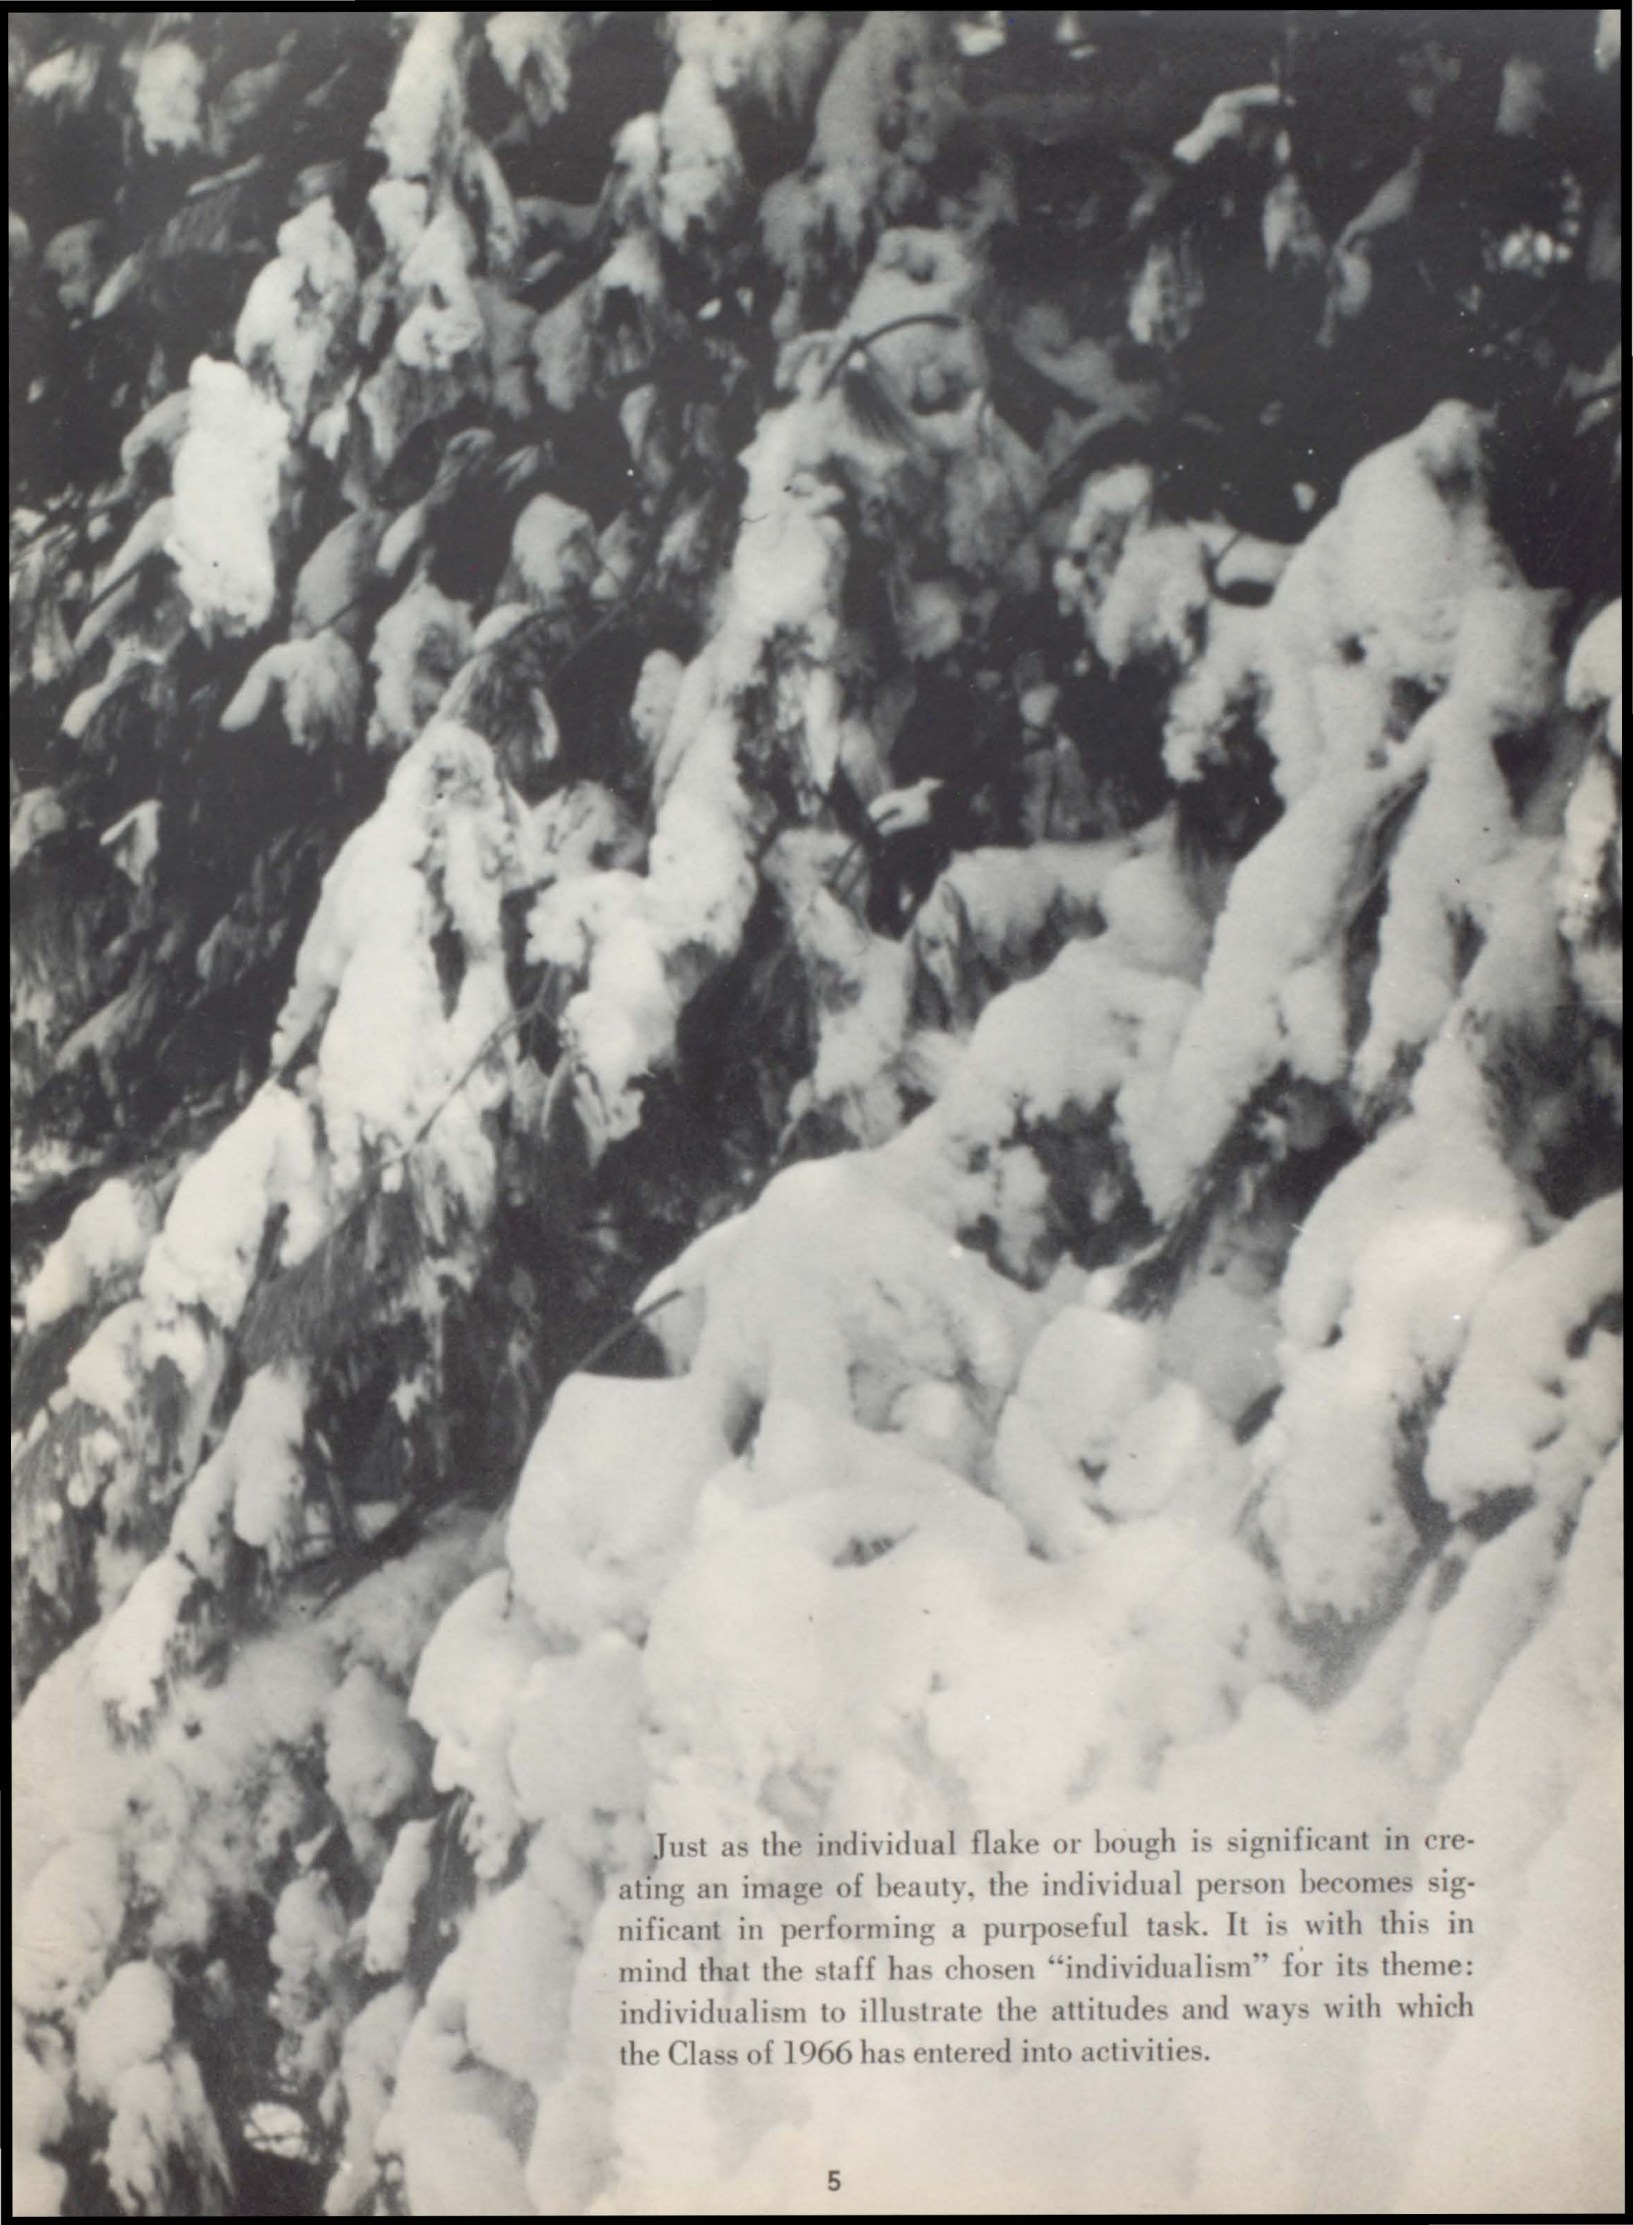
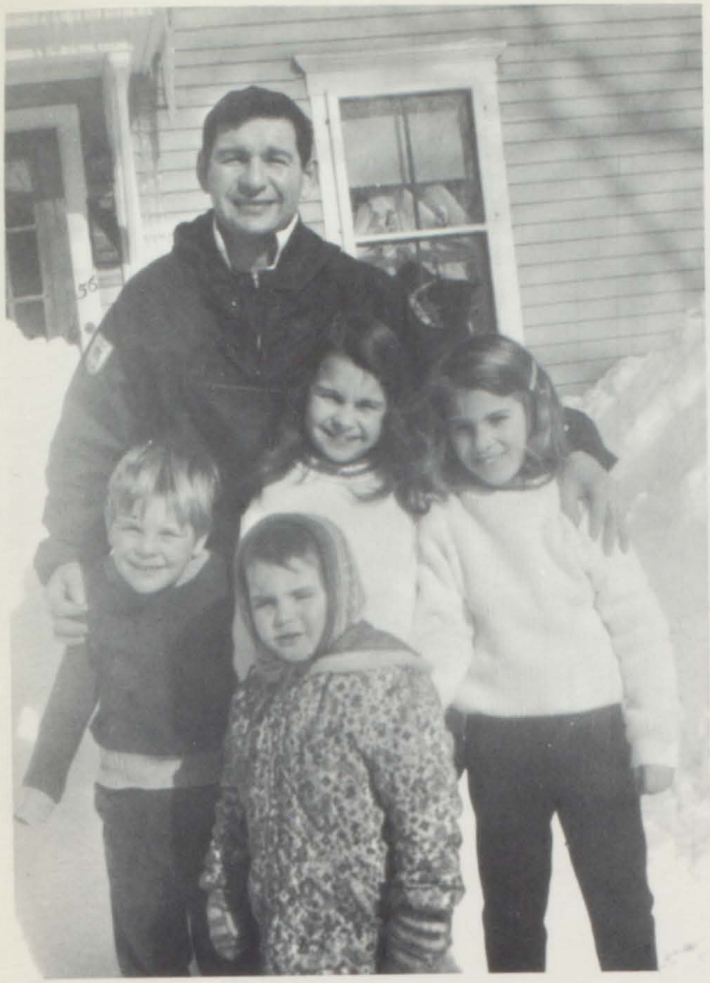
ADVERTISEMENTS 95



Just as the individual flake or bough is significant in creating an image of beauty, the individual person becomes significant in performing a purposeful task. It is with this in mind that the staff has chosen "individualism" for its theme: individualism to illustrate the attitudes and ways with which the Class of 1966 has entered into activities.

With fond memories of his amiable personality, we the Class of 1966, dedicate this edition of the *Four Corners* yearbook to Peter Panagakos.

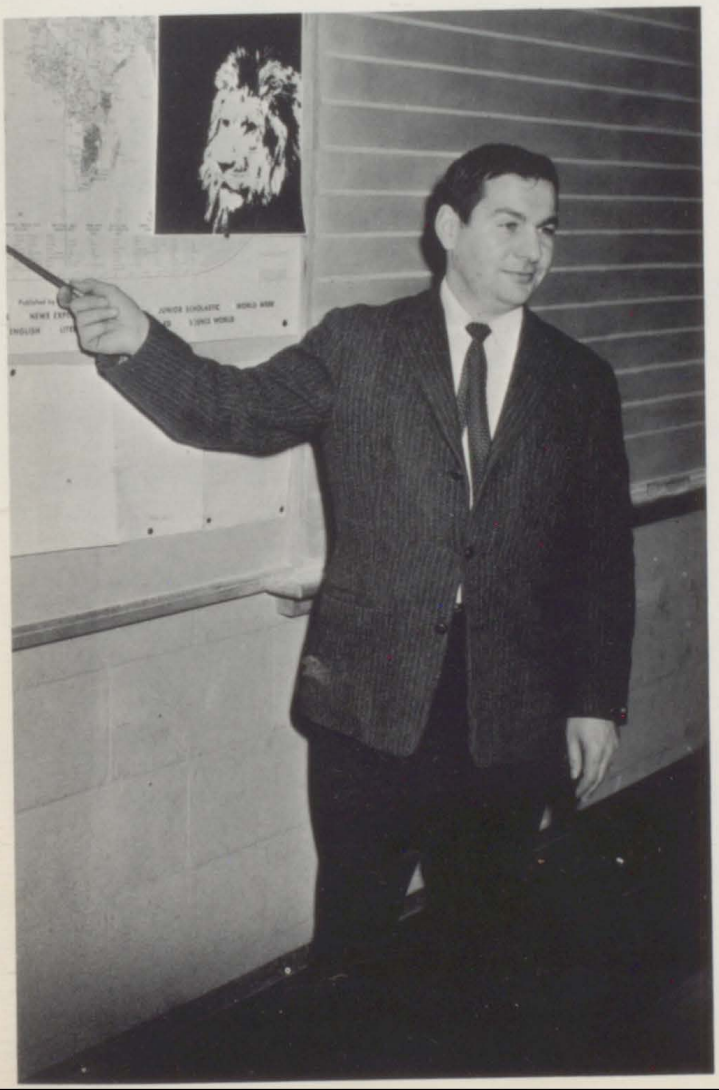
"The sense of humor is the just balance of all the faculties of man."



When looking back upon our high school years, our individual minds will create images of those teachers and friends who have influenced. We will remember the most serious and devote, the most versatile, or the humble one with the attributes of merriment and geniality.

Having traveled to Greece, Mr. Panagakos has the invaluable advantage of this broadening experience with which he enriches each class. Having possession of the valued virtue of humor, he sparks his classes with timely jollity. Mr. Panagakos will always mean a little more to those who have been associated with him through classes and outside activities.

Mr. Panagakos thrives on human companionship. He treats everyone, be he fellow teacher or student, with a kindly regard and special attention. He was schooled in the manners of individual consideration for all. It is with all these memories that we affectionately dedicate our yearbook, the *Four Corners* of 1966, to Mr. Peter Panagakos.



As you, the Class of 1966, complete your preparation here at Scarborough High School, you will step out into the world following your own individual paths. No path will be exactly like another; and, as each of you travel along, you will have many opportunities to branch off and seek wider horizons.

Each individual decision will be accompanied by a greater responsibility. This is as it should be. You have inherited the privilege of living in a land where "Individualism" can exist. This, however, places upon you the great responsibility of protecting your inheritance without abusing it. This you must do to guarantee it for those who will follow you.

Individualism can only exist so long as it does not infringe on the rights and welfare of others. Although you have had, during your high school experience, opportunities to operate as individuals, consideration for the rights of others has compelled you to reconsider your individualistic impulse. This is evidence of a maturity which is so necessary for your future success.

It is with a feeling of confidence and pride that I wish you a happy and successful journey ahead.

Our Individual Administrators Speak to Seniors

SUPERINTENDENT THOMAS S. VOSE

The taming of the North American continent in the last four hundred years was accomplished by men and women who dared to be different. Our history books tell us about John Smith, Boone, Lewis and Clark, and many others who sought a new dimension in their lives to pave the way for the kind of civilization we enjoy today. With the passing of the geographic frontier and the coming of affluence in our society, there are those who say that we are losing our individuality: that the opportunity to be different has disappeared. Beatlemania, hula-hoops, Frank Sinatra, and the other fads have made followers of us all, it has been said.

I believe that young people everywhere can find frontiers to explore. I believe that there is room in America for the young person who can be different. Imagination and creativity in the spectacular areas of space, of science, and of medicine are visible frontiers. Uncharted areas can also be found in our dealings with one another, in the fight against poverty, in civil rights, and in helping to solve the many pressing problems of our social order.

Do you dare to be different? Do you dare to seek real solutions to unpopular problems? There are frontiers in the Twentieth Century for the individual who is willing to seek them.

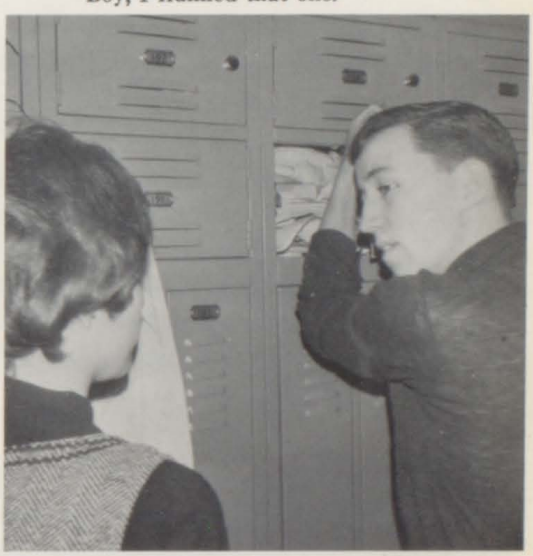
And Future Leaders.

OUR FIRST TWO YEARS AT SHS have flown, but our future is bright as we look toward an enlightening senior year to give us our last important lessons before we finally depart on our separate ways.

"Boy, I flunked that one."



"Hmmm, that looks good."

"Oh no, they're shooting us."

"And then she said . . ."

The Sophomores of '66 Have . . .

On Sept. 8, 1965, one hundred and thirty students who were to make up the Sophomore Class of Scarborough High School entered high school for the first time. All realized that this day marked a very important step in their education. This was the beginning of either the last, or next to last, level of the education with which they would eventually face the world.

The first official act of the sophomores was to choose class officers and Student Council representatives. Elected as our officers were Hudson Briggs, President; Thomas Kane, Vice-President; Pamela Warren, Treasurer; and Kathryn Knight, Secretary. Five ambitious members of our class,

We entered an unfamiliar place . . .

. . . With very familiar activities.

Skillings, J. Warner, D. White.

. . . *Strong Determination* . . .

Peter Vose, John Butler, Lee Krapovicky, Joanne Greenleaf, and Sheila Winters were elected to the Student Council.

The Sophomore Class has been well represented in boys' athletics. Many soccer players, about one-third of the team, were members of this class. The cross-country team was able to enjoy its best season in years, largely because of a wealth of sophomore talent. Two outstanding players were Dennis Jarvis and Gerald Hillock. Eleven sophomores were members of the varsity and junior varsity basketball teams.

The corridor walk is one of our daily activities.

Our officers guide all of our activities.

. . . *Plenty of Ambition* . . .

The girls of this class have also been active in athletics. In field hockey four girls tested their ability. Seven more sophomore girls were members of the basketball teams. The cheerleading squads contained seven energetic girls from our class, including Dottie Rhoda as Captain of the J.V.'s.

In other extracurricular activities sophomores have shown their talent in music. The Scarborough High School Band is well-stocked with sophomore musicians. Over half of the members of the majorette squad are members of this class. Numerous sophomores have also joined the chorus.

Sophomores are also active in Latin Club, Interact Club, American Field Service, Medical Club, Projection Staff, Bowling Club and Swimming.

Although the school work may be less enjoyable than other activities, it is certainly not less challenging.

. . . *And High Hopes* . . .

Some sophomores are discovering the many mysteries of life in biology classes, while others gain valuable knowledge in such subjects as Industrial Arts and Home Economics. All are beginning to realize that perhaps they don't know quite as much about the English language as they previously thought. Every sophomore is feeling the helpful guidance of his teachers.

The 1965-1966 school year is one that will not be quickly forgotten by sophomores. As we became familiar with the ways of high school, we realized that we would never again know the school of two recesses and no finals. However the 1966 sophomores have faced Scarborough High School with strong determination, plenty of ambition, and high hopes.

We were overcome studying for Mid-years.

We enjoyed our classes???

Individuals Pursue Careers

Full library facilities are available to each student for study or enjoyment. Here Mr. Day, our English and economics teacher, is working with his students to teach them how to use the library for research material.

Mr. LaValliere looks on as Peter Vose practices the construction of a parallelogram. Geometry, as does any math, teaches the student to reason and evaluate.

In Mrs. Jones' English class, as in all classes, each student can be assured of learning the subject, either through class work or individual help.

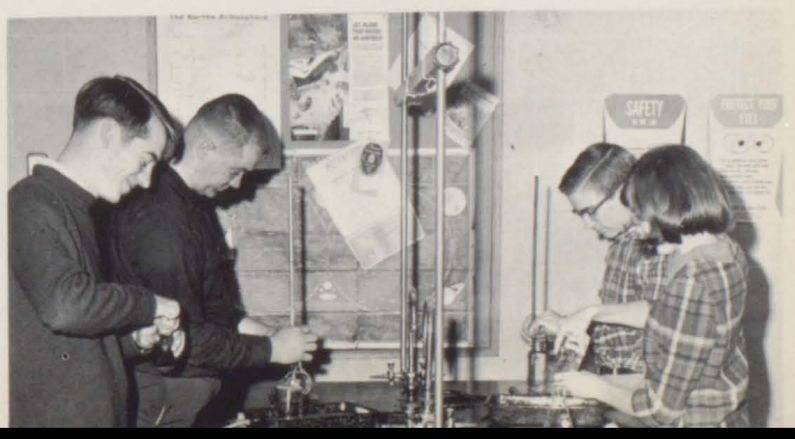
Movies and other visual aids have become an integral part of our teaching program. They have been found to be very effective in the variety of materials they cover.

Through Their Own

In the physical education classes, each student has the opportunity to build endurance through exercise and to participate with fellow students in reaching a genial understanding.

In this physical education class, Stanley Root executes a perfect "flip" while other members of the class await their chance. In such an activity as trampoline, "Practice often makes perfect."

In biology class students are taught the function of the various parts of plants and animals through the use of models, diagrams, and experiments.



Chemistry is best learned through participation. As John, Steven, Rick, and Linda learn to assemble their apparatus and carry out their experiments, they can better understand the mechanics and the reasons in this science.

Choice of Curriculum

Technical Drawing, supervised by Mr. Hannaford, teaches the boys accuracy in their work and valuable skills for later years.

Mr. Newell teaches proper procedures in industrial arts through lectures and demonstrations. Only by the actual use of the tools can the individual attain experience in a skill.

Before the fourth period every morning, Mr. Williams and his work-study boys check into the office and then begin classes. Each boy pursues a possible career for half the day and studies the required subjects for the other half.

Margaret, Sue, and Sally illustrate the making of a skirt, one of many topics covered in senior special. This class is for those college-course girls who desire instruction in domestic abilities.

ACTIVITIES

Individual talents provide enthusiastic support in activities.

BAND

Members of the band were kept on the move through the year by their full schedule of activities in and out of Scarborough. In May 1965 the band visited Bristol, Rhode Island for an exchange concert; and Bristol, two weeks later, returned the visit, giving a fine performance. Our band performed a first on November 19 when they officially greeted, with a fanfare of Christmas carols, none other than Santa Claus.

In March 1966 the band had an exchange concert with Bonny Eagle and another in May with Somersworth, New Hampshire. The band also gave inspiring performances at school assemblies, the F.T.A. convention on November 6, home basketball games, and the Christmas concert on December 20.

Our visitors from Rhode Island show us their talents.

The band provides musical enjoyment during the F.T.A. convention.

MAJORETTES

Under the leadership of Captain Holly Douglass, one of the two seniors of the group, the majorettes had a busy schedule working with the band as an efficient team. The majorettes accompanied the band on their exchange concerts in March to Bonny Eagle and in May to Somersworth, N. H., displaying their enthusiastic marching abilities to their hosts. The entertainment at home basketball games, assemblies, and parades gave the school much of which to be proud.

The energetic majorettes held food sales throughout the year to raise funds to purchase new uniforms. Their neat, new uniforms, adding color to their inspiring performances, continue to prove the majorettes a superb marching group.

Fine performances result from ...

... many hours of earnest practice.

CHORUS

Under Mr. Packard's guidance, the chorus continued, as in years before, to do an excellent job at the school assemblies at Christmas and Thanksgiving, as well as at the Christmas Concert, which was broadcast on the radio. The chorus gave much Christmas joy to the elderly in the nursing homes for whom they sang carols.

Besides its regular activities, the chorus took a daring step forward by staging a musical, April 27 and 28, 1965, entitled, "The Pirates of Penzance." Although it was a challenging new experience for the chorus members, with the help of a few recruited "nonsingers", the musical was such a success that the chorus staged another musical, April 14 and 15, 1965, entitled, "Finian's Rainbow."

DRAMATIC CLUB

The Dramatic Club has set a brisk pace, which it is now fulfilling with effort to spare. Last year, our State One-Act Contest Play entry, "Gallows Humor", under the capable direction of Mr. Weston Dyer, won the local division and competed in the Regional Contest. Mr. Dyer has left the faculty and we will feel his loss greatly in the Dramatic Club. Mr. Day has taken over the contest play this year and plans to present "More Perfect Union". This play has an all girl cast, which is something new for us. We are all behind Mr. Day, and are looking for a winner to add to our list of accomplishments.

In April, '65 the Dramatic Club presented a Spring Drama Festival. The three one-act plays, "Mystery of Mouldy Manor", "Nobody Sleeps", and "Mama's Getting Married" were presented, with Miss Ferguson and Mrs. Lary directing. This fall saw the production of "The Egg and I", presented by the Senior Class under the capable direction of Mrs. Lary. This has been a busy year for the Dramatic Club, but this is what we have learned to expect from our club in which every member participates either on stage or behind the scenes.

"The Egg and I"

Due to diligent study on the part of the cast and especially to the unparalleled coaching of Mrs. Lary, the Senior Class of 1966 presented a memorable performance of the comedy, *The Egg and I.* The play centered around the MacDonald family: Don (Linnie Higgins), Betty (Sally Vose), Anne (Pat Snow), and Joan (Gail Snow). Don persuaded them to give up the city life in Seattle and move to the country for the purpose of taking up the occupation of farming. He painted the picture of such an existence as an easy and lucrative business. It seemed to the girls to be a fine proposition. When they arrived, however, they found that the farm lacked all of the modern conveniences (bathroom, bathtub, running water, etc.), that chickens had to be taken care of from dawn to dusk, and that the neighbors were not quite as sophisticated as expected. The performance provided an enjoyable evening for all, with the audience bursting forth in laughter almost constantly.

Rehearsals for *The Egg and I* began in September and continued at the pace of two or three a week until the night of November 23. Even though the seniors found it hard to give up one or two nights a week they realized that all the effort spent was regained in satisfaction. Heartfelt gratitude must be extended to Mrs. Lary, without whose energies this play could not have been performed.

STUDENT COUNCIL

The activities of our Student Council began, as they have in the past, with homeroom elections, and shortly after, the election of the officers. The victorious campaigners were Linwood Higgins, president; Marcia Faunce, vice president; and secretary, Pat Snow. We voted Rose Marie Somville, our foreign exchange student from Belgium, and Holly Douglass honorary members of the Council.

Our Student Council, however, has exceded the pace set by the past Councils. Along with the responsibilities of assembly planning, the coordination of a dress code, and other student-faculty activities, we were given the opportunity of sponsoring money-making projects for the first time. We chose as our main objective the establishment of a Student Council-sponsored scholarship. Our secondary objective was to donate all money earned over our scholarship quota to the American Field Service fund. To achieve these goals, we successfully planned a food sale and a dance.

Our thanks to Mr. Plaisted, our faithful advisor, and to our principal, Mr. Juniewicz, for their time and effort which helped to make complete this progressive year for the Student Council!

MEDICAL CLUB

The Medical Club has made great advancements since Dr. Andrews, a resident in radiology at the Maine Medical Center, joined Mrs. Lee as the club's advisors three years ago. The membership has increased, and the planned activities of the club have become more stimulating. At their monthly meetings they introduced speakers on physical therapy, cardiology, and the new nursing program at Westbrook Junior College. Also on the calendar of events was a tour of the Westbrook Junior College nursing facilities and a tour of the Maine Medical Center.

Early in November the club tried something entirely new: they held an evening meeting featuring Dr. Eben Bennet, who spoke on "female cancer." The program was open to all interested club members and their parents.

The club leaders were Holly Douglass, President; Sally Vose, Vice-president; Martha McFarland, Secretary; and Treasurer, Cooper Higgins.

Our worthy advisor is Mrs. Lee.

AMERICAN FIELD SERVICE CLUB

The objective of the A. F. S. Club is to sponsor activities to raise the $700 needed to bring a foreign exchange student to Scarboro High School for one year. Two years ago we had our first foreign exchange student—Benicio Chagas Neto from Brazil. This year we were extremely pleased to receive our second student. She is Rose Marie Somville from Leige, Belgium.

With the help of our advisor, Mr. Fillmore, we successfully sponsored the following activities for next year's student: two dances, a food sale, car washes, and a Winter Carnival. The Winter Carnival was the first activity of its kind ever attempted at Scarboro High School. It entailed a great amount of hard work, but the reward was well worth our efforts: the profit was $500. Because of its great success, the Winter Carnival will become an annual event.

ROSE MARIE SOMVILLE

"Light-enchanted sunflower, thou Who gazest ever true and tender On the sun's revolving splendour."

It has truly been a pleasurable and rewarding experience having Rose Marie Somville as a member of the class of 1966. Rose Marie came to Scarboro as a foreign exchange student from Leige, Belgium, and spent one year with us, acquiring a better understanding of our American customs and ideas, and of the English language. She took such courses as American History and Problems of Democracy which deals with our basic democratic principles and how they are applied in today's modern society. Along with these courses she also studied Home Economics, which is not offered in Belgium; and English, which helped to widen her knowledge of English grammar and of our most widely-read literature. Lastly, Rose Marie participated in field hockey, basketball, the senior drama, and various clubs.

Rose Marie willingly extended help to those of us who were having problems with our French courses. She gave interesting and informative talks to classes within our school. To everyone, she gave a greater knowledge of European cultures and customs.

A year has passed by quickly, but the memories of this year will always remain in our hearts.

LIBRARY STAFF

The Library Staff of Scarborough High School is a vital part of our student community. It is made up of students who volunteer their time to aid in the smooth running of our library. Under the supervision of Mrs. Heywood, our librarian, they make it much easier for the rest of the student body to use our library's facilities. Their duties include the checking in and out of books, returning the books to their proper positions on the shelves, finding materials in the pamphlet file, and using the *Reader's Guide to Periodicals* to aid students in research.

PROJECTION STAFF

The Projection Staff is made up of boys who donate their free periods to operate audio-visual aids for our various faculty members. Their advisor is Mr. Howard, who instructs the boys on the basic mechanics of running the different pieces of equipment such as movie projectors, record players, slide projectors, and tape recorders. The use of audio-visual aids is continually growing in importance as our modern educational system advances. In accordance with this, the importance of the Projection Staff is growing also.

The first meeting of our newly chosen Yearbook Staff was held in the spring of 1965. After much consideration the staff selected the theme which we felt best represented the class of '66: Individualism.

At this meeting we also learned that our '65 yearbook had placed third in the Columbia Scholastic Press contest.

Wishing to present the Senior Class with an even better and bigger yearbook, we urged the seniors to get out and really sell ads.

Periscope

After a series of pep talks by Mr. Howard, a most determined group of seniors left the high school on a warm fall morning. Due to their success we were able to add fourteen additional pages to our yearbook.

Our yearbook staff itself followed the theme we chose. We cut out the traditional gossip and baby pictures which we felt were meaningless and a waste of space. We were determined to have a yearbook which reflected individual ideas.

All winter long we scurried around for informals and wrote every spare minute. Yearbook Staff members could be found wearing out pencils on buses, in classes, (furtively), at home, and in Room 3 after school.

We enjoyed the rush and the excitement of meeting deadlines. We hope you enjoy the results.

F.T.A. STATE CONVENTION

For the first time Scarboro was honored to host the Future Teachers of America State Convention. Prior to this event, our secretary sent letters of invitation to schools all over the state. Her efforts were amply rewarded when approximately 450 students registered the Friday evening before the convention; students who had traveled far distances gathered at the High School for a record hop. 10:00 Saturday morning, after a concert by the S.H.S. band, opening ceremonies began in the Junior High School Gym. The invocation was delivered by Rev. Morten Sorenson. The welcome addresses were given by Martha McFarland, Mr. Vail, Mr. Juniewicz, and Mr. Vose. Martha concluded the welcome with a speech on "Togetherness". Our chorus followed with three selections. Then a most colorful and symbolic installation of officers completed the morning assembly. Our "sister chapters", Westbrook and Falmouth, worked together with us to make the joint installation a great success. At this ceremony senior pins were also given. The assembly was dismissed, and everyone split into discussion groups. These discussions were mainly about teaching different subjects at various levels. Afterward we journeyed to the High School for a luncheon. After lunch prizes were awarded to groups which had come the farthest, had the largest number of boys, etc. Then recorders gave accounts of the previous discussions. The first speaker of the afternoon was Dr. Mitchell from Gorham State College. He was followed by Mr. Kenneth Bagley and Prof. Herbert Ross Brown from Bowdoin College, whose lively personality pepped up our tired visitors. Martha adjourned the State Convention with a farewell address. Students departed for destinations as far away as Northern-most Maine. Due to the co-operation received by members of the F.T.A., student body, and faculty, their journey was worthwhile.

The chorus entertains.

The Installation is underway.

F.T.A.

Last spring the Future Teachers of America, under the guidance of Mrs. Lary, elected officers: Martha McFarland, Pres.; Charles Bradford, Vice-Pres,; Paula Currie, Sec.; James Graves, Treas.; Susan Dudley, Historian; and Pat Snow, Publicity Chairman. These officers did much planning for and devoted much time to the F.T.A. State Convention—the biggest F.T.A. event of the year. The annual Harvest Supper in September was most successful. In order to raise enough money to award two $100 scholarships, we also sold candy at a basketball game and sponsored a record hop. Before the year had ended, we had attended many teas and informative films at neighboring chapters.

INTERACT

The Rotary-sponsored Interact Club was started in Scarboro only last year; yet it has already become very active. We sponsored many dances throughout the year. The profits were used to purchase a state flag for the school. We also set up a booth at the Citizen Scholarship Foundation Festival in March. Our activities have not been confined to Scarboro, Maine. We sent letters to Scarborough Ontario, Canada; Scarborough, Australia; and Scarboro, England, urging them to start Interact clubs.

F.H.A.

F.H.A. really keeps its members busy. One major project is planned for every month of the school year. These projects are not only fun but worthwhile. In November, after the Faculty Tea, the F.H.A. collected money for needy families. In December they gave a Christmas party for the children at Pineland and later, one for the local children. They also got S.H.S. into the Christmas spirit by decorating the office. They contributed many projects to the Winter Carnival in February.

In May the annual Mother and Daughter Banquet was held, followed by our impressive installation of officers. They ended the year with the traditional Family Picnic in June. Also in June they awarded a $100 scholarship to a worthy senior girl.

Their officers were as follows: C. MacDonald, President; J. Durgin, Vice-President; M. Provost, Secretary; D. Cressey, Treasurer.

We planned many "goodies" for the Christmas Party.

Our plans lead to action.

LATIN CLUB

The Latin Club, under the guidance of Miss Young, becomes increasingly active each year. Being one of the most popular clubs, it boasts a massive membership. This fall the club elected new officers: Sally Vose, President; Holly Douglass, Vice-President; Martha McFarland, Treasurer; and Karen Teravainen, Secretary. The initiation of new members took place on November 10. This initiation, rich in ceremony and color, was definitely the highlight of the Latin Club year. As usual the sophomores were intrigued by the secrecy prior to the event. However, they all returned to school unscathed. Sophomore members read reports on Roman religion at an informative meeting in December. In December we also added variety to the Christmas assembly by singing carols in Latin. In May we had our annual banquet, which was very Romanish.

NATIONAL HONOR SOCIETY

It is truly an honor and a privilege to be chosen a member of the National Honor Society. Last spring the faculty installed fifteen juniors, which constitutes ten per cent of our class. These people were Holly Douglass, Pat Snow, Randall Knight, Gail Snow, Douglas Libby, Cheryl Moulton, John Snow, Crystal Keene, Beverly Babkirk, Linda Pike, Janet Woodward, Charles Bradford, Sally Vose, Linwood Higgins, and Karen Teravainen. With the addition of four more members chosen last fall, Margaret McCormick, Virginia Waterhouse, Sandra How, and Marilyn Gorman, the fifteen per cent quota was reached for the class of 1966. These chosen few have well lived up to the basic qualifications of the National Honor Society: character, scholarship, leadership, and service.

Scarboro, late in the season, made a strong comeback from a slow start to reserve its place in the Class L tournament held at Lewiston. Our 3 top scorers were Linnie Higgins, Larry Skillings, and Satch Flannery, who paced the Redskins to a record of 8 wins and 8 losses.

This would not have been possible without the help of a number of underclass members, who, with aid of Coach McFarland, will lead the way to another promising season next year.

GIRLS' VARSITY BASKETBALL

The girls varsity basketball team had an excellent season signified by the record: 6 wins, 2 losses. The reason for our success was teamwork.

Nancy Myers helped the team with her constant rebounding, especially prevalent in the Greely game. Debbie Wentworth, Cheryl Moulton, and Carole Thompson, fast-paced rovers, performed exceptionally well as both guards and forwards, notably in the Westbrook games. Marge Stone, Ginny Waterhouse, and Sally Vose displayed great ability in their guarding and rebounding. Jean Shorey, our high scorer with 165 points, scored over 30 points in both the Westbrook and Lewiston games. Cheryl Moulton was S.H.S. foul shooting champion. Jean Shorey received recognition by appointment to the Western Maine All-Star Team.

All the players gloried at the Gorham home game. We managed to hold them down to a 26-26 tie. In a 3 minute overtime, they managed to score 3 points to our 2. A 29-28 score is the closest we've come to Gorham for many years. Next year we hope to beat them.

With the effective aid of Coach Plummer our J.V. boys racked up a record of 12 wins and 4 losses, a record which speaks for itself. There is no doubt that some of these members will move up to the varsity and give Scarboro the experience it needs for the year to come.

GIRLS' JUNIOR VARSITY BASKETBALL

The members of the Girls' Junior Varsity Basketball team were determined and cooperative. These qualities enabled them to attain a 5-2 record for the season.

Michelle Breton, Gail Bird, and Mary Jo Flaherty put up a formidable defense, especially in the Lewiston and Windham games. Sue Libby was high scorer in the upset Scarborough gave Gorham. Sharon Bonville and JoAnn Greenleaf were consistent scorers and excellent guards. Sara Cott was high scorer for the season with forty points.

The junior varsity's performance will recommend all the players to positions on the varsity squad next year.

SWIMMING

With the aid of 5 practices at the YMCA our boys managed to place 4th in the triple C swimming meet at the Boys Club. In the time trials on the afternoon of the meet, the following boys qualified: Dennis Whitten, who placed 1st in two events, Tommy Kane, Dennis Rowell, and Richard Quinney.

With the help of our strong underclassmen, next year's swimmers will be hard to beat.

Although this is the first year in four that S.H.S. hasn't clinched the Triple-C Championship, our record of 8 wins and 3 losses is nothing to be ashamed of. This was achieved by the pitching skills of Bobo McFarland (3-0), Wayne Norrad (1-1) and Linnie Higgins (4-2). The top batters were Bobo McFarland, slugging with an average of .447 and Linnie Higgins with a .386.

Next year with the aid of Coach Packy McFarland and Coach Plummer our team will do its best to reclaim Scarborough's title in Triple-C baseball.

SOFTBALL

Coach Blanchard instilled in the softball team a knowledge of the rules and the spirit of sportsmanship evident in all games.

Jean Shorey outguessed the other team in many games with her tricky pitches. Carole Thompson and Debby Wentworth, first base and shortstop, respectively, worked as a team to put out the opposition. As for batting, all the players were really hitting at the Old Orchard Beach game giving us an 18-8 victory.

Mrs. Blanchard expects that the team will continue to improve and have a successful season in '66.

Tri C Meet Scarboro 5th place

This was a building year for Scarboro, spent in preparing for the "66" season. The experienced and inexperienced still managed to get many points from each event. The top five scorers were Captain Gerry Balzano (52 1/5 pts.), Richard Quinney (29½ pts.), Ben Chase (29 pts.), Warren Winchester (26 pts.) and Stephen White (20 3/5 pts.).

Losing only six seniors from a spring track squad of twenty-one, and retaining particular strength in running events, Scarboro shows bright prospects for the "66" season.

The Cross Country team had the best season in the fall of '65 that Scarborough has had in many years. The outstanding accomplishment of the year was when the team qualified for the State Meet by placing 4th in the Southwestern Meet at Gorham Country Club. This was the first year that schools were required to qualify to enter the State Meet. The team also placed third in the Triple C Meet at Gorham Country Club. Eugene Hall, Dennis Gervais, David Wiley, Ray Wiley, and Gerald Hillock were members earning letters during a profitable season. These five athletes placed in both Southwestern and Triple C Meets.

The outlook for next year is bright, with the loss of only one senior. Our experienced runners, with the aid of a fine coach, Mr. Howard, are sure to set their aims a little higher in the coming season.

With the aid of an excellent coach, Mr. Plummer, our soccer team finished with 4 wins, 3 losses, and 1 tie. Larry Skillings was the high scorer of the season with a total of 7 goals. Captain Satch Flannery, our goalie, showed great effort by making a total of 72 saves during the season.

Junior, Darrel Perkins was second high scorer with 3 goals. Four other underclassmen also scored goals. Reserving this same skill and team spirit, our soccer team next year may go all the way.

A cooperative team, experienced players, and a dedicated coach, Mrs. Blanchard, produced a winning season for Scarborough High's Field Hockey team. The unprecedented results were 4 wins, 2 losses, and 2 ties.

Joy Conley was high scorer with 6 goals. Marge Stone and Donna Hersey distinguished themselves for their tremendous defensive effort in both the Gray and Portland games. Cheryl Moulton, goalie, and Marilyn Gorman, fullback, successfully repulsed the Windham team to give us a 5-0 victory. Two players, Jean Shorey and Judy Kenoyer earned positions on the Western Maine All Star Reserve Team.

Although the team is losing players at graduation, the sophomores—especially Kathy Knight and Sue Whitehead—proved at the Windham game that they can fill the vacant positions and carry on a winning tradition.

Sally tries for a goal against Portland.

Before the Windham game the team prays to their mascot, Alge.

CALENDAR

SEPTEMBER

To our terror and dismay, September brought an end to our summer pleasures as we exchanged our beach towels for books.

OCTOBER

Parents viewed various demonstrations at Open House, where for the first time, they were given a picture of the entire curriculum.

NOVEMBER

As part of our Thanksgiving Assembly the Glee Club expressed their thanks in song. The Juniors read their traditional Thanksgiving day themes.

DECEMBER

"Yes, Rose Marie, there is a Santa Claus." Our foreign exchange student discovered this fact amid strains of Christmas carols and mounds of gifts at our Christmas assembly.

JANUARY

January brought the tension of basketball games and a test of our school spirit as we prepared to meet our arch-enemy, Cape Elizabeth, on Color Day.

1965 — 1966

FEBRUARY

After long weeks of preparation, the A.F.S. Winter Carnival arrived at last with its fun and games. Its success will enable us to have another foreign exchange student next year.

MARCH

In March traces of spring fever began to appear among the students as the snow began to melt and it was apparent that we wouldn't have an eternal winter after all.

APRIL

April was a musical month, as ambitious students sang and danced their way through the chorus of "Finian's Rainbow".

MAY

"Play ball!" was a familiar cry in May as the boys indulged in the nation's number one sport—baseball.

JUNE

Joy and sadness mingled as final exams and graduation overtook S.H.S. The seniors bid farewell to high school as others prepared to take their places.

Individual Experiences Are Remembered

Thus a year has passed—a year in which we have felt the impact of individual personalities. We have profited by the inspiration of dynamic speakers in assembly gatherings, as well as by the youthful enthusiasm of those dedicated to the instruction of the individual. As the yearbook goes to press, we find that it has been a year filled with old friends, familiar haunts, new ideas, new activities—a year which we have recorded for you in picture and copy, recognizing the vital part the individual plays in the life of his school.
