Dear Sir

I have been in the Country Recruiting
 and have just returned with 25 men
 which makes with those I enlisted here
 and with what Pitcher has enlisted
 our Company stand between fifty & sixty
 the men are talking about who are to be
 Officers and want to elect them.

Will you give us the privilege of
 an election by the Company.

We are getting a fine Company together
 and shall be ready for the 12 or 13 Regiments

I have some good Volunteers that
 want to go in the Regiment as such
 what can I say to them.

Please answer and Oblige

Respectfully

Dani White

P.S.

A. L. Spencer is helping us get
 up the Company and wants
 a Sinter berth.
