THE 1968

FOUR CORNERS

Published by the Class of 1968

Foreword

During a school year the activities and moods of the student body are constantly changing, as reflected by the theme of the 1968 *Four Corners*, "For everything there is a season." Studying for mid-years, losing a basketball game, and finally graduation—these are among the activities that have led us to our theme.

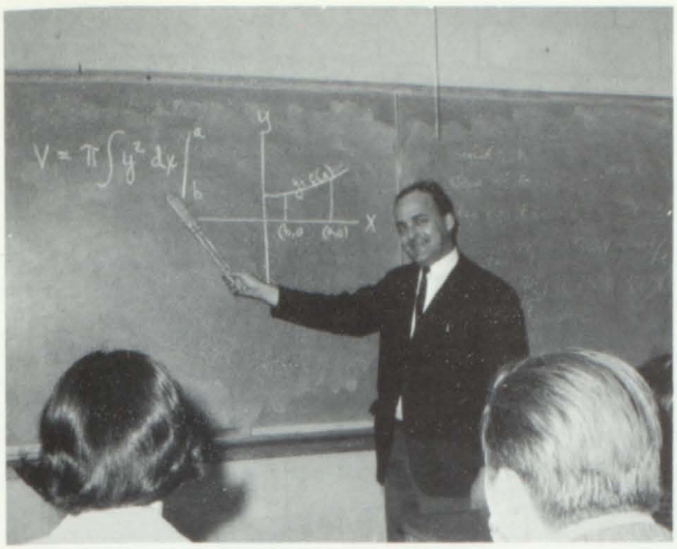
BERTRAND R. LAVALLIERE

It is with deep gratitude for his help and for his humor that the class of 1968 dedicates this edition of the FOUR CORNERS to Bertrand LaValliere.



The lighter side of teaching!

The Student Council honors Mr. LaValliere.

Dedication

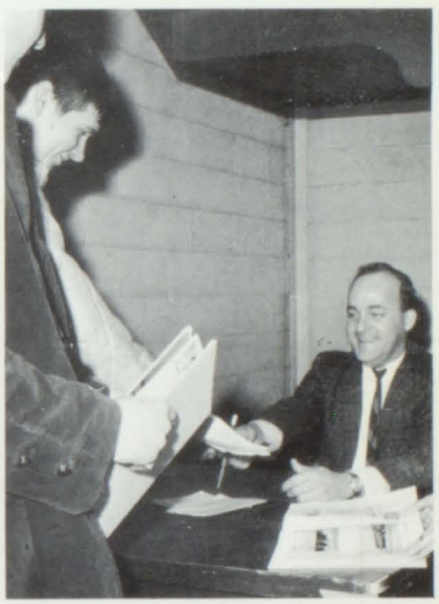
When the Class of 1968 entered Scarborough High School three years ago Mr. Bertrand LaValliere entered with them. As sophomores we knew him as a geometry teacher willing to "work at this thing until you get it." He also coaches the Boys Bowling Team.

When we entered our junior year there was Mr. LaValliere ready to teach us Algebra II. It was during this year, also, that he became the business manager adviser of the Four Corners.

As seniors we weren't surprised to find him teaching pre-calculus and calculus. Along with his other duties, he took over the guidance of the Student Council in September of this year.

During the three years we have been at Scarborough High School, we have found Mr. LaValliere a teacher willing to understand our weaknesses, an adviser eager to share new ideas with us, and a friend ready to weep with us, learn with us, and rejoice with us.

Mr. LaValliere gladly accepts yearbook ads.



Mr. LaValliere draws a straight line.

And I seek thee in vain by the meadow

Administration

Principal Alexander Juniewicz

In developing a total program of events and activities for a school year, many factors must be considered.

Uppermost in our thoughts is the wide variety of interests and anticipations within the student body. These interests and anticipations if properly nourished, can grow in numerous worthwhile directions. This nourishment is provided in part by participation in activities additional to studies.

Building such a program is comparable to developing a musical score. It should be interesting and appealing enough to the great variety of listeners to encourage their participation in a season advantageous and meaningful to each as an individual.

Total growth requires a variety of experiences, each in its proper time and climate. Participation is a helpful ingredient in this growth.

Your theme for 1968—"For everything There Is A Season"—expressses this thought and is indicative of the total growth you have accomplished throughout your years with Scarborough High School.

Within the school program you have found seasons for happiness, meditation, sorrow, and restraint. The act of living together in a group of three to four hundred individuals for six hours a day for over five hundred days has provided for each a multitude of experiences, which should build for you a foundation upon which a happy and successful future can stand.

I wish you all many, many successful and happy seasons ahead.

National Honor Society Recognizes Achievement

Each spring by a vote of the faculty, juniors are elected to the National Honor Society, which is sponsored by Mrs. Lary. In addition to high ranks, these students must have shown leadership, reliability, and good school citizenship. Senior members of the society perform the candlelight initiation ceremony in a school assembly. The following fall several more seniors are usually elected to the Honor Society.

Seniors welcome new members after initiation.

BACK ROW: K. Knight, S. Bennett, J. Mitchell, L. Bruns, S. Cott, D. Rhoda. *FRONT ROW:* C. Ross, E. Atkinson, P. Vose, J. Briggs.

Summer Begins With Dirigo

Although a high school is not usually concerned with summer, for five of Scarborough's students the first week of the summer season of 1967 was very important. Two days after school closed, delegates Dorothy Rhoda, Kathryn Knight, Peter Vose, Hudson Briggs, and Stephen Bennett set off for Dirigo Girls' and Boys' State. Sponsored by the American Legion and Auxiliary, Girls' and Boys' State are held at Colby College and the University of Maine respectively. Each year the delegates participate in the formation of a mock state government. Dirigo State also has a vigorous sports program. As for entertainment, the delegates invent their own, and their impressions range from: "We met really great kids!" to "Girls' State and Boys' State should merge!" In speeches given at a meeting of the Legion and at a school assembly, the delegates made their community more aware of the responsibilities of citizenship.

Junior Class Shows Its Mettle

The month of September saw the jolly, jolly juniors preparing for the upcoming year and making new acquaintances.

At our first class meeting this fall, we held the election of officers. We elected once again Douglas Babkirk as the president of the class. Other officers elected were John Pennell, vice-president; Cynthia Wentworth, treasurer; Cheryl Meserve, secretary.

We Lead

We were fortunate in having four of our fellow classmates represent the junior class in the Student Council. We were proud to have Susan Mattatall and Douglas Babkirk run for the office of vice-president in the Council. After a rousing battle, Doug was elected vice-president and Susan was elected treasurer.

We Join

Throughout the fall season juniors were active members of the soccer, field hockey, and cross country teams. Winter found us active in the bowling clubs and playing on the basketball courts.

Sophomores Lead Active Lives

Autumn was a season of change for the sophomore class as we adjusted to a new way of life at Scarborough High. With the help of our teachers and advice from upperclassmen, we soon found high school life to be less formidable than we had imagined.

The first official action of the class was to elect class officers: President, Barbara Greenleaf; Vice-President, Richard Libby; Secretary, Frederick Currie; and Treasurer, Peter Hart. These students, in the opinion of the class, were best qualified to lead us through our first year of high school. Soon afterwards we elected Jimmy Purington, Jere Bonville, Debra Libby, Karen Mitchell,

Fred Currie in suspended animation.

and Craig Rancourt to represent the class in the Student Council. Our representatives offered suggestions and capably expressed the views and opinions of our class.

Throughout the year, sports held an attraction for the sophomores, particularly for our boys. Several members of the class participated in soccer and cross country, while our girls were active in field hockey. During the winter season, three-quarters of the Junior Varsity basketball team was made up of sophomores. Two members of the class, Fred Currie and Jimmy Purington, played on the Varsity team. The girls' basketball team included several sophomore girls and two girls, Marydee Russell and Debra Libby, added their voices to the Junior Varsity cheering squad.

Many sophomores became members of the various school-sponsored clubs. Some of us added musical talent to the band membership, and some of us sang in the Glee Club musical in the spring.

The Class of '70 realize that its responsibilities are increasing as we study and learn at Scarborough High. We know the value of a good education and are grateful for the opportunity to prepare ourselves for the demands of the future.

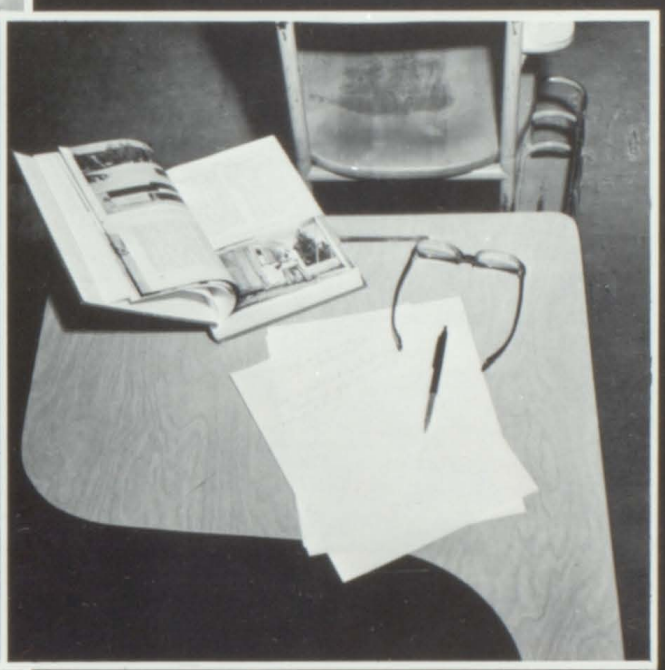
Curriculum



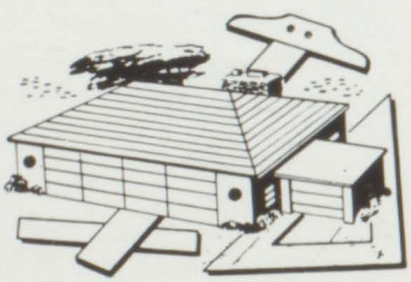
Industrial Arts and Home Economics

Industrial Arts classes aren't that funny!

Mrs. McMackin and her tidy homemakers.

The Departments of Home Economics and Industrial Arts provide experience for those students interested in pursuing careers in the home and industry. The Industrial Arts Department has, in addition to Mr. Hallett, a new instructor, Mr. Hannaford. Together, they oversee the boys in such projects as electronics, power mechanics, mechanical drawing, and metal and wood working. In the home economics classes, Mrs. McMackin shows the girls the fundamentals of a well-organized home.

Mr. Hannaford gives a few starters.



Physical Education

Miss Acrobat of the year.

Mrs. Blanchard and Mr. Plummer have teamed up this year to introduce a coeducational sophomore class to the fundamentals of health. The Scarborough Physical Education Department stresses a rugged program of exercise designed to promote physical fitness through such sports as basketball, volleyball, soccer, and of course, the trampoline.

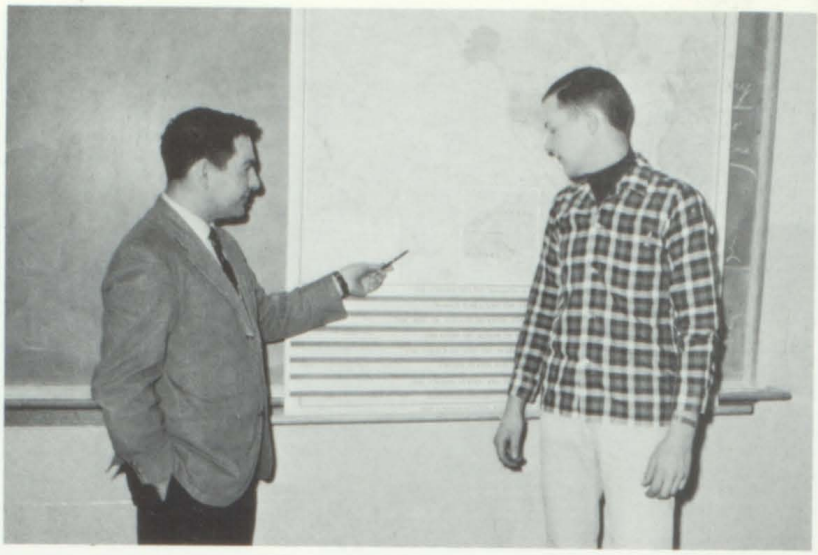
Social Sciences



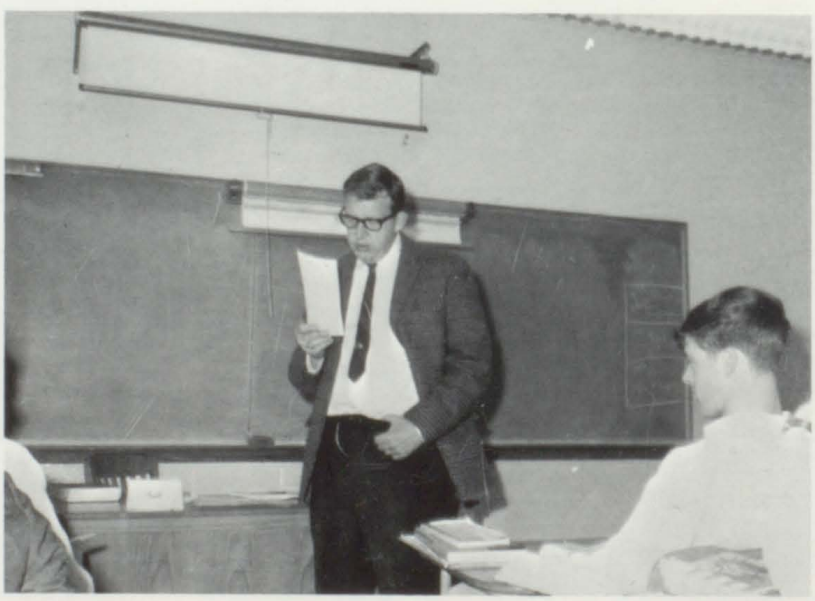
That's not Greece, Mr. Panagakos!

Mrs. Fengler gives the latest facts.

The history of our country combines with the history of other lands to bring about the lively comparison in our history and geography classes. Whether learning about the Battle of Sarotoga or the present-day crises, students learn what is going on in the world in which they live.

The new Scholars' Club has been increasing in number day by day. In the club the students learn the basic fundamentals of world history. The study of events adds excitement in the class through spirited debates and new ideas.

Mr. Carlson finally passes a test!



Listen my children and you will hear . . .

Foreign Languages

Students learn to express themselves more clearly through foreign languages. French and Latin help broaden their outlook. From studying historical events of the glorious feats of Caesar to the renowned conquests of Napoleon, students learn the history of the countries from which the languages arise. Effective use of the language labs enables the students to understand more fully the origin and applications of the languages they acquire.

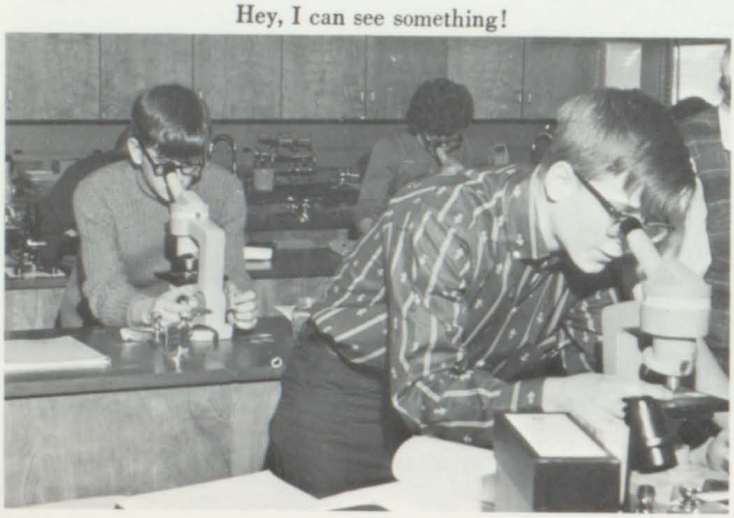
Mr. Arsenault concentrates on "bon" work.

Mrs. Lary gives Mary a few pointers.

Kathy and Beth do the dirty work while Doug computates?

Science

Hey, I can see something!



From probing a world of wonder through the microscope in biology to combining chemicals in chemistry, students begin to understand what actually makes the world tick.

The increasing number of labs and the use of modern techniques add to the knowledge science students are eagerly seeking. This year the advanced program has been used to prepare the students for the world of tomorrow. Students break away from their textbook and enrich their knowledge through individual reading.

Guidance

With the friendly aid of Mr. Moore, students prepare for the complications of college admission. Personal problems in school life and home are discussed and considered seriously. A supply of college material is on hand to help the student plan his future academic career. National and statewide scholastic tests are administered by our guidance counselor. This year more and more brochures and pamphlets have arrived for the use of those who wish either a college or business career.

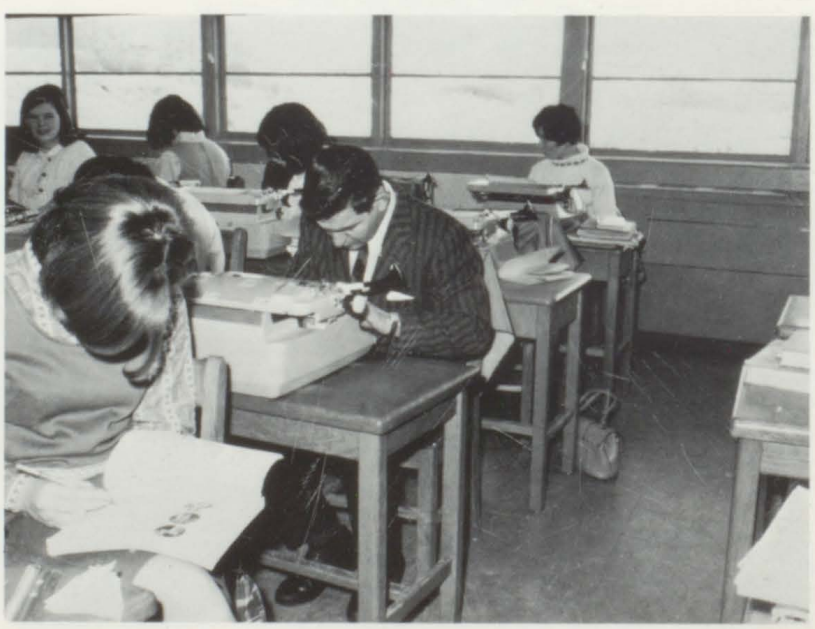
Business Education

Mr. Graves gives Sandra some advice.

Busy bees at work!

The Business Education Department has been modernized by means of new equipment such as dictating transcribing units, a spirit duplicator, calculator, and many more devices to aid the students this year. For the first time in the school's history, data processing procedures are being taught to prepare the student for the automation of tomorrow. Shorthand, bookkeeping, office practice transcription, and typewriting are subjects also offered in the curriculum.

Can that be Mr. Panagakos in typing class?



English

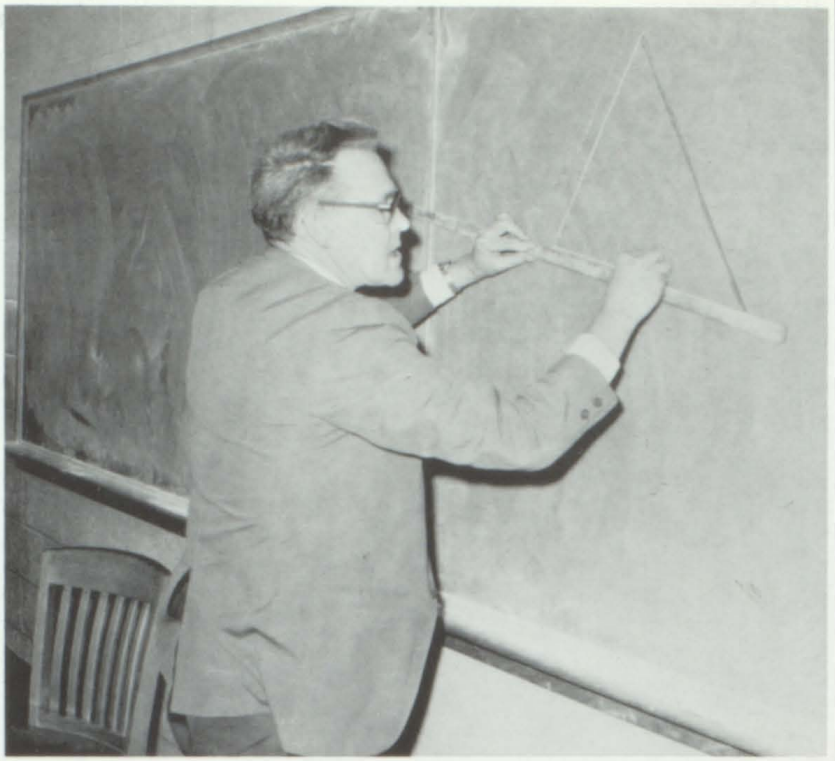
Mrs. Jones gives Chuck sound advice.

The sophomore English students received new ideas and concepts through modern literature such as *Animal Farm*, while the juniors are standing by with the old faithful, *Moby Dick*. The senior group in advance study has developed their writing to a height of winning three places in the National Africa Essay Contest. The winners are Kathy Knight, Arlene Merry, and Mary-Ellen Perry, under the direction of Mrs. Lary. Each year a student competes in the National Council of Teachers of English writing competition. Mrs. King, Mr. Day, and Mrs. Jones all have worked diligently to organize the study of the basics of spelling, punctuation, and grammar which lead to the scholarship of seniors.

Mr. Day can't find his homework.

Mrs. King helps the new teacher at the desk.

Mathematics



Mr. Howard's specialty—Triangles.

Students view electronic calculator.

One of the most widely diversified areas of Scarborough's curriculum this year has been mathematics. Seniors have taken calculus and advanced math, while geometry and two years of algebra have been offered juniors and sophomores. Two student teachers, Miss Cote and Mr. Mann, introduced new angles to Mr. LaValliere's classes. Both Mr. LaValliere and Mr. Howard have taken advantage of the new audio-visual equipment to supplement their lectures with illustrations.

Student Council Initiates Change

In September many clever posters lined the halls as the campaign for election of the officers of the Student Council got underway. Following an assembly where candidates addressed the student body, elections went forward under the supervision of Mr. LaValliere, adviser. The student body elected Dennis Phinney, president; Douglas Babkirk, vice-president; and Pamela Warren, secretary. Through their efforts, along with those of other members of the Council and with the assistance of the administration, 1968 has been a year of progress for the Council.

For the first time, the Council has frequently made use of the intercom system, either for an announcement by the president or for reading of the minutes by Pam Warren after a Council meeting. In this way, the student body has been kept up to date on the affairs of the Council. In January a new large bulletin board appeared, the Student Council Bulletin. Its first material featured highway safety. The Council also succeeded in a project to have an ice cream machine installed in the corridor next to the cafeteria.

In order to obtain new ideas for the improvement of our school, five Council members spent a weekend in Brewer at the Maine Association of Student Councils' Convention. The five attending were Dennis Phinney, Douglas Babkirk, Karen Link, Deborah Libby and Jere Bonville.

Medical Club Provides Active Program

In September the Medical Club welcomed Dr. Robert Roy as their sponsor. Elected officers were Deborah Higgins, president; Douglas Babkirk, vice-president; Kathleen Bradford, secretary; and Patricia Dunton, treasurer. Mrs. Lee, adviser of the Club, the officers, and Dr. Roy arranged an interesting series of programs.

One of the most timely was a talk on hallucinogenic drugs given by Dr. Roy. Dr. Newell, of the Osteopathic Hospital of Maine, Inc., gave a talk on the history of osteopathy. Mr. Roy St. Claire, pharmacist, spoke on a career in pharmacy. At another meeting Dr. Otis Douphinett discussed eye disorders.

The Club gave a Christmas tea for its former members. Several alumni said that programs of the Medical Club had been instrumental in persuading them to choose a career in medicine.

The Club hopes to send representatives in April to tour the Massachusetts General Hospital and to observe an operation. Last spring Susan Dudley, Lynne Murphy, and Earlene Ahlquist represented the Club on a tour of the Augusta State Hospital. They urged the Club to send representatives again this year.

A.F.S. Fulfills Its Goal

The American Field Service serves as an important link between our culture and those of other nations. Seeking to further the ideals of international organization, the Scarborough Club sponsors activities to raise the seven hundred dollars necessary to bring an exchange student to Scarborough High School for one year. In past years, the Scarborough A.F.S. has been privileged to know and study with Benicio Chagas Neto from Brazil and Rose Marie Somville from Belgium. This year the club has been pleased to welcome Rustica Cervas from the Philippines to our school.

Under the guidance of adviser Mrs. Sylvia Fengler, the A.F.S. has sponsored food sales and a fall dance to earn money for next year. With the help of the Parent A.F.S., the students hope to raise enough to bring a foreign student here, or, possibly, to send one senior from the Scarborough Club abroad for a year of study.

Rustica "Rusty" Cervas has been a happy addition to the class of 1968. As an exchange student from the Phillipines, Rusty has led an active life both as a student and as a resident of our town. Not only has she had the opportunity to better understand Americans and to learn our language, she has also brought to us interesting ideas and customs from her own country. Although the year ended too soon for some of us, the students of Scarborough High will not soon forget Rusty; her quiet and friendly manner will always remain in our hearts.

As soon as the Four Corners Staff was chosen, it began work on selecting a theme. Before the staff adjourned for the summer, it had learned to crop pictures and lay out pages, and had made arrangements for pictures.

FALL 1967

Before they knew it, the seniors were canvassing the area for ads for the 1968 Four Corners. They cropped pictures and did the typing and layouts for the ad pages for the first deadline. On Picture Day, yearbook staffers, faculty, and students cooperated with photographers to make the event a success.

WINTER 1967-1968

Hustle and bustle accompanied the efforts of the Periscope Staff as they interviewed every senior, secured class pictures and prepared writeups and page layouts. Once again there were those looming deadlines haunting the Periscope, business staff, and sectional editors. As the 1968 *Four Corners* sent to press, each person on the staff looked forward eagerly to its publication.

Future Teachers Raise Money for New Scholarships

The F.T.A. of Scarborough High School was busy as usual this year earning money for three one-hundred dollar scholarships for deserving seniors. Under the guidance of their adviser, Mrs. Lary, members planned fund-raising activities. Highlights among these were the Harvest Supper in September, the Homecoming Dance in December, the Spaghetti Supper in February, and the sale of refreshments at several basketball games.

In November, our F.T.A. participated with Westbrook High School and with Falmouth High School in the eighth Annual Initiation. Officers installed were Doddi Rhoda, president; Sara Cott, vice-president; Brenda Gray, secretary; Sue Whitehead, treasurer; and Mike Rossetti, historian.

Future Homemakers Learn Household Skills

Belonging to the Future Homemakers of America chapter is truly a valuable experience. Mrs. McMackin does a commendable job of preparing the girls for their future roles as homemakers. The girls learn the basics of how to run a home efficiently and how to keep a family relationship a happy one. At regular monthly meetings, the club members plan activities that will benefit the chapter. With these money raising projects, F.H.A. is able to award a scholarship to a deserving girl. This year the members served tea at open house, held a Halloween dance, and held several fudge sales. The girls also collected Christmas gifts to give to the children at Pineland Hospital. The end of the year is full of activity for F.H.A., the highlights being an elaborate ceremony for the installation of the new officers and the annual Mother and Daughter Banquet. The F.H.A. elected the following as its officers: Susan Barker, president; Joanne Greenleaf, vice-president; Barbara Hicks, treasurer; Gloria Simon, secretary; Marsha Grondin, historian; and Cheryl Meserve, parliamentarian.

1967-1968 an Active Year for the Junior Classical League

The Scarborough Chapter of the Junior Classical League enjoyed an interesting and educational year as its members explored the history, culture, and customs of the Ancient Romans through a series of films and discussions.

Club adviser Miss Young brought the Roman culture closer to the members when she showed her Latin classes some of the slides she had taken in Europe.

An especially high point in the year was the traditional Candlelight Initiation of new members in November.

At the District Convention of the JCL at Falmouth High School in November, the Scarborough club was represented by seven members—Karen Link, Arlene Merry, Mary-Ellen Perry, Maureen Quinn, Nancy Syska, and Paul Brim, who was even brave enough to run for office.

This June will see the annual Slave Auction and Roman Banquet and the election of next year's officers.

Library Staff Assists Fellow Students

The Scarborough High School library, under the direction of Mrs. Heywood and Mrs. Hart, provides students with a focal point for all their subjects. From seven-thirty to four o'clock every day, the library is open for students to expand their knowledge of their courses, and to broaden their minds through great literature. The student librarians are always on hand to help other students use the library effectively.

Projection Staff Helps Supplement Teaching

The use of modern audio-visual techniques at Scarborough this year has been significantly expanded with the help of the Projection Staff. These ten boys, under the supervision of Mr. Howard, are an indispensable aid to the teachers of every class.

The staff members maintain and operate record players, tape recorders, and other audio-visual equipment for use in every phase of the curricula. Each week the staff assists in the presentation of as many as twelve films and filmstrips.

The crew examines some of the equipment for needed repairs.

Interact Seeks To Serve

The Scarborough High Interact Club, sponsored by the Scarborough Rotary and advised by Mr. Peter Hay and Mr. Robert Hanson, strives to be of service to the school and to the community. Some of the Club's activities this year have included putting on a ham supper, polishing the trophies in the trophy case, running concessions at basketball games, sponsoring dances, and participating in the Dollars for Scholars Festival.

In 1967 the Club flew to Mexico on an exchange trip; there are high hopes for another exchange trip sometime in 1968.

Music Resounds From September to June

The members of Scarborough High School Mixed Chorus, directed by Mr. Packard, has always been active, and this year has been no exception. Not only did they perform at assemblies and at the annual Senior Convocation, but they sang at area schools and convalescent homes at Christmastime, bringing cheer and brightness to the very young and the very old with a collection of modern and traditional carols. The annual Christmas Concert included "Do You Hear What I Hear?" "As Lately We Watched," and a trio of Polish folk carols.

As soon as Christmas was over, the chorus started plans for a musical to be presented in April. They will finish the year by singing at Last Assembly and Convocation.

Mixed Chorus Makes April the Musical Month

In April, 1967, the Mixed Chorus and Mr. Packard staged the Rogers and Barer musical *Once Upon a Mattress* based on the tale of "The Princess and the Pea." Principal members of the cast were Susan Snow, Gregg Scott, Nancy Syska, Pete Vose, Debra Libby, Mark Newth, and Barry Googins.

Since *Mattress* was such a success, this spring the Chorus plans to produce *The King and I*, a musical version of *Anna and the King of Siam*. This year, the two leads are Mary Douphinett as Anna and Mike Rossetti as the King.

Band and Majorettes Liven Up School Year

At assemblies, basketball games, concerts, and, of course, the Memorial Day Parade, the Scarborough High School band has added color and spirit to the general atmosphere of the activity. This year there have been many changes in the band, under the supervision of our new director, Miss Hartford. Band officers were elected and they are as follows: Roy Cole, president; Pam Carter, vice-president; Diane White, secretary; and Rosario Rossetti, librarian. While Miss Hartford was recuperating from an illness, Roy Cole directed the band.

Spring Sees One-Act Plays

Scarborough High School set the scene June 1, 1967, for their annual spring one-act plays. The first play presented a startling mystery, "Murder No Object," with a second play built on humor as a light-hearted Western. "Summer Comes to the Diamond O" played through with the schools' comedians: Thomas Greene, Stephen Boothby, James Heflin, Cooper Higgins, Jon Ewing, Craig Worthing, Susan Ramsay, Christopher True, and Peter Vose. In "Murder No Object" Betsey Soule, Mary-Ellen Perry, Susan Snow, Dorothy Rhoda, Sara Cott, Sharon Bonville, Linda Carbone, Karen Link, Arlene Merry, and Richard Libby trod the boards. The credit for these two successful plays, as for many others in the past, goes to Mrs. Marguerite Lary.

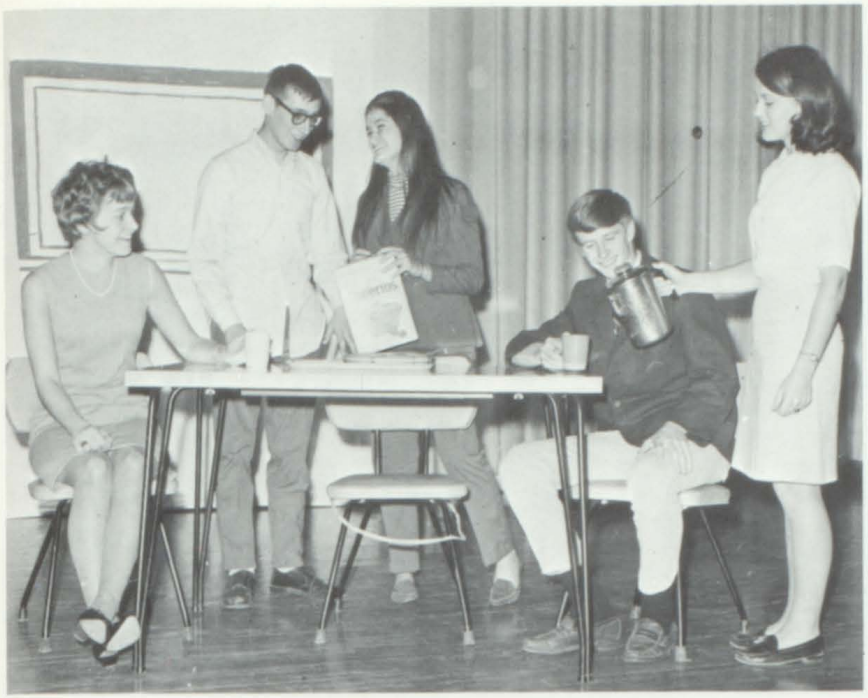
Murder, Blackmail, and Romance Build to An

The stars in eager anticipation.

Caesar in the throes of indecision.

Autumn is the Scarborough High season for the senior play, directed by Mrs. Lary. Mystery and romance carried the audience through the fast-moving and intricate plot of "Home Sweet Homicide" on Tuesday evening, November 21, 1967.

From a lazy, relaxed opening discussion among the Carstairs children—dramatic April (Kathryn Knight), practical but romantic Dinah (Dorothy Rhoda), and younger brother Archie (James Meserve)—the plot rapidly picked up after two shots rang out next door. Seeing a chance to gain fame—and perhaps a husband—for their widowed mother, Marian (Arlene Merry), who is a mystery story writer, the children lost no time in confusing the young, handsome, AND single police Lieutenant Bill Smith (Stephen Bennett) and Sergeant O'Hare (Richard Libby). Having thoroughly confused the police by stating the incorrect time of the shots and hiding the murdered woman's husband, Wally Sanford (Carlton Ross), the children eagerly started to solve the murder themselves. Unfortunately for the children's romantic plans, Marian's untimely declaration: "All cops are stupid!" caused an immediate friction between Marian and Bill. Until the appearance of the racketeer Frankie Riley (Rosario Rosetti) the children thought the murder suspect was the young actress Polly Walker (Karen Link). April became thoroughly confused when her invented Rupert Van Deusen (Jonathon Ewing) suddenly appeared.



Senior Thespians have a cheerios breakfast.

I've loved you since the first time I saw you, Marian.

Unexpected Climax

To further complicate the plot, Dinah's perplexity was compounded by the temporary loss of her "one and only", Pete (Philip Caeser), to her saccharine-sweet rival Joella (Pamela Warren). The visits of Mr. and Mrs. Cherington (Mary Perry and Craig Worthing), an elderly couple who always meant well, added to the lightness and humor of the plot. In fact, the plot took an unexpected turn when a gun fell from kindly Mrs. Cherington's purse. During a party involving Archie's mob—Flashlight (Herbert Wiley), Slukey (Joanne Greenleaf), and Hoot (Bruce Douglass)—and the Gang (Mary-Jo Flaherty, Barbara Eaton, John Butler, Deborah Higgins, Dianne White, Joanne Mitchell, Rustica Cervas, Patricia Webster, Pamela Carter, and Irene Doody), April and Dinah secured the incriminating evidence from the Sanford house. To the great surprise of all, the murderer was Mr. Cherington! "Home Sweet Homicide" ended on a happy note with Bill's proposal to Marian, the reuniting of Polly Walker with her boyfriend Cleve (alias Rupert Van Deusan), and with Pete's "WOMAN! Are you coming with me on that picnic or not?" to Dinah.

A large audience received with enthusiastic approval "Home Sweet Homicide"—made a success through the combined efforts of Coach Mrs. Lary, the cast, prompters Deborah Higgins and Joanne Greenleaf, faculty advisers Mr. Packard, Mrs. King, Mrs. McMackin, Mrs. Fengler, and Mr. Graves, and the many stage hands from the senior class.

W-what makes you think we're nervous, Mrs. Lary?

It's your line, Arlene.

Progress With a Downhill Start

The Scarborough Ski Club is a school-sponsored club with an annual membership of about seventy. Since the club's beginning in 1960, with Mr. Panagakos as adviser, over two hundred have passed the Intermediate Ski Test. The Ski Club began its 1968 season by spending a Saturday at Pleasant Mountain. Other favorite slopes of the club are Mt. Agamenticus, Conway, Lost Valley, and Mount Abrams. The club has been given a minimum of four to six weekend skiing trips each season. The less experienced skiers receive instructions from Mr. Panagakos. The officers this year are John Butler, president; David Pratt, vice-president; Pamela Carter, secretary; Philip Welsch, treasurer; and Susan Whitehead, chairman of the planning committee.

Bowlers Strike Again

The Big Twenty is full of action when the Scarborough Boys' and Girls' Bowling Teams arrive at the alleys. Advised by Mr. LaValliere and Mrs. Heywood, the teams compete against Old Orchard and Cape Elizabeth, the girls on Mondays and the boys on Wednesdays. Those who bowl over 100 and 115 win special pins. At the end of the season, Mr. Chris Anton presents awards to the girls on the high scoring team and to the boys with the highest single score and the high triple.

Shoot Straight and Drive Hard

The Rifle Club is one of the newer clubs at Scarborough High. Meetings are held every Monday at the Scarborough Rod and Gun Club. Under the careful supervision of Mr. Foley, the members practice marksmanship and learn rifle safety. It takes a sharp eye and a steady aim to win in the competition against South Portland and Cape Elizabeth. The Rifle Club elected the following as their officers: Tom Ahlquist, president; Armand Moreau, vice president; Iola Bragdon, secretary; Joyce Delaware, treasurer.

The Golf Club is also one of Scarborough's youngest clubs. The team practiced three days a week at Willowdale, their home course. Under the supervision of Mr. Carlson, the golf team learned sportsmanship and teamwork. The team ended a successful season with 3 wins and 5 losses.

The Golf Team anticipates spring.

Seniors Make Plans for Washington and New York.

In their junior year, one-third of the class of 1968 formed a trip club. Officers elected were Doddi Rhoda, president; Pam Warren, secretary; and Sue Whitehead, treasurer. Mrs. Marcia Blanchard is the club adviser.

Members of the group have sponsored car-washes, suppers, sports nights, book sales, and dances to earn money for the five-day trip in April to Washington, D.C., and New York City.

Plans for the trip include visiting several famous places, among them the Capitol, Annapolis, Radio City Music Hall, and the Statue of Liberty.

During later meetings the members agreed upon spending several days in both New York City and Washington, D.C. Club plans for the future include a number of fund-raising events, among them a roller-skating party, a car wash, and a winter sports carnival.

Soccer Team Improves Steadily

The soccer team, under the able guidance of Coach Plummer, was fortunate enough to double the number of wins over the team of a year ago. The boys began the season in grand style, blanking a fine Gorham team four to zero, then edging Greely by a score of four to one. The winning streak was then stopped in an overtime loss to Yarmouth, one of the league's best teams.

The team itself was quiet large in number, partially because ninth grade students were eligible for the first time. Co-captain Phil Hersey led the team in scoring with five goals, followed by Don Crowley, who scored four times. Dennis Phinney, the other co-captain, was restricted to limited play because of an injury suffered earlier in the year. In his first season as first-string goalie, Greg Scott performed very well. Danny Plowman and Dick Collins, as well as improving sophomores Jim Purington and Billy Demmons, played consistently good soccer for the Redskins.

Field Hockey Team Sticks to It

The field hockey team showed cooperation and determination as they worked their way through long, hard practices under the direction of Coach Blanchard. Playing many difficult games, they suffered some defeats. Their vigorous efforts, however, were significantly rewarded when the girls beat the Gorham State College team in a scrimmage. Led by Captain Doddi Rhoda and supported by seniors Kathy Knight and Joanne Greenleaf and Juniors Beth Baxter and Patti Dunton, the team may not have gained many victories, but they gave the opposing teams a spirited fight and promise for more next year.

Track and Cross Country Squads Display Spirit and Perseverance

The track team was handicapped by having an unusually small squad. With only an eight-to-nine-man average, the team performed creditably. Scarborough's best meet was against Windham and Yarmouth, when the boys defeated Windham and came within twelve points of scoring a double victory. Sophomore Ron Nelson performed consistently well in the hurdle events. The highlight of the season had to be the outstanding short-distance running of Richard Quinney, who finished the spring as high scorer for Scarborough.

Boasting a winning record of five wins and four losses, our cross country team had a fine season. In both their second and third meets of the season, the boys managed the feat of scoring double victories, accounting for four of their victories. The team had another excellent showing when it finished tenth in the tough regional meet. Five seniors, two juniors, and two sophomores made up the squad. Eddie Gervais and the Wiley brothers, Ray and Dave, were Scarborough's most consistent performers. Gerry Hillock, Bruce Douglas, and sophomore Harold Johnson also added to the success of the team.

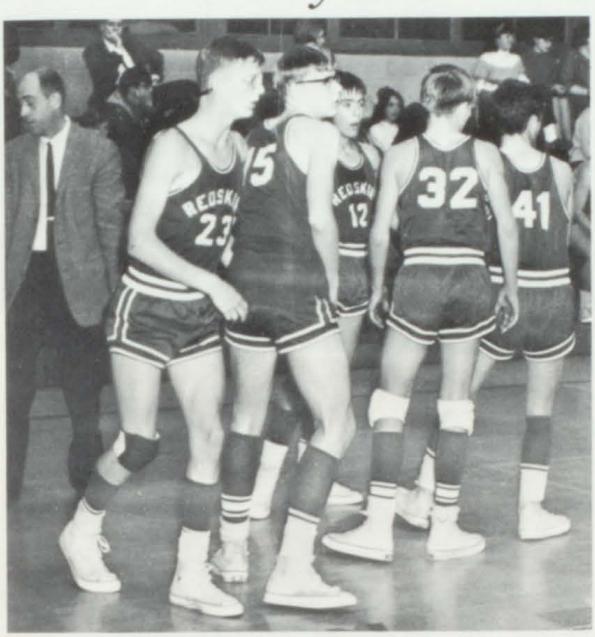
Jayvees Make the Drive for Excellence



Let's go, boys!

Despite a rather rough start, the Jayvees under the direction of Coach Plummer, consistently improved throughout the season. Perhaps the best example of this was the re-match with a tough Gorham team. To avenge their defeat at Gorham earlier in the year, the Jayvees rallied behind high-scoring Fred Currie, one of the steadiest and most promising performers, Gene Libby, and Ken Ross to upset the fine Gorham hoopsters. Much credit must also go to Coach Plummer, who throughout the season has instilled in his players the spirit and the drive to overcome dificulties.

Team Spirit Never Deserts Redskin Varsity

Hocus-pocus and in!

Although the Redskins failed to make the Western Maine Tournament, they finished their season with a respectable record of eight wins and eight losses. The team improved greatly in the latter part of the season, winning six of their last eight games. Co-captain Mark Bernstein led the team in scoring while Greg Scott, tall junior center, picked off most of the rebounds. One of the most exciting games of the season was a one-point victory over Windham. In that game Danny Plowman, who scored a total of 22 points, pumped in a shot with but nine seconds remaining to clinch the victory. Bernstein, the most dependable Redskin over the season, led the team to a near upset over the high-ranked Cape Elizabeth combine in another of the season's highlights.

Co-captain Steve Bennett gave Redskin fans their greatest thrill with his excellent foul shooting at the close of the season. After winning the school title of Foul Shooting Champion, Steve made forty-nine out of fifty tries to become the Western Maine Champion and then went on to the University of Maine the following weekend and became the STATE OF MAINE FOUL SHOOTING CHAMPION by making forty-seven out of fifty tries.

Dick scores two.

It was a good season for the Girls' Jayvee team, as they won all but two games. Backing up the seniors in the surge for victory were juniors Kathy Bradford and Beverly Hall. Altogether the Jayvees developed and perfected such team spirit that they all but demolished their opposition.

Girl Redskins Keep That Spirit

The girls' basketball team started the season off successfully, wrapping up their first games with overwhelming victories. Their spirit and determination never faltered even though wins became fewer during the last half of the season. Fighting opposing forwards right down to the basket were guards Arlene Merry, Mary-Jo Flaherty, and Joanne Greenleaf. Ina Hall and Phyllis Baylet, forwards, helped high scorer Sara Cott to raise the score for Scarborough. Sara also won the title of S.H.S. foul-shooting queen. Wins were few, but the girls offered the opposing teams lively competition as they raced down the floor towards the Scarborough basket.

Joanne fights for the rebound.

Cheerleaders Boost Team Morale

By their ingenious pep rallies and by their enthusiastic cheers at basketball games, our cheerleaders have flooded the student body with a wave of school spirit. Under the leadership of Junior Varsity Captain Patti Dunton and Varsity Captain Kathy Knight, they have inspired the students to support their team at the games and to help them urge the boys on to victory. In appreciation for their ceaseless effort and boundless energy, Scarborough High salutes them with their own cheer—"Ho!"

Redskins Develop Teamwork

The "67" season was a rebuilding year for the baseball team and Coach McFarland. All told, the boys won five out of thirteen games they played. John Pennell won the team's batting title with an average of .345. Throughout the season Mark Bernstein's fast ball was a big help to the team. To the regret of the team, four experienced players graduated in June: Cooper Higgins, Clifford Grenier, Richard Hart, and Tom Greene. The end of the season found the team playing as a unit.

Mark rounds the turn.

Softball Team Beats Rival

"You're out!" Although a familiar sound with the girls this year, it did not break their spirit. Leading the girls in their one victory over Falmouth were swinging upperclassmen Charlotte Hall, Irene Doody, Joanne Greenleaf, Sharon Bouchard, Beverly Bearor, and Cheryan Steele. The team, under the supervision of Coach Blanchard and assisted by manager Nancy Scamman, battled through the season against strong opposition. However, it is well to remember that the greatest improvement comes from playing against teams that are strong and well trained. This should act to our advantage next year.

We look forward to Triple C schedules in girls sports next year and hope that league schedules and trophies will spark the interest in girls athletics and result in more girls trying out for all girls activities. This should improve the ability of the team members and improve the records of all girls athletic teams.

John Dudley of Leavitt High, who was runnerup in the Central Maine event last year as a sophomore, won it Saturday at Farmington State College by sinking 48 free throws.

Onis Beaulieu of Mattawamkeag was the Eastern Maine winner with 47 of 50, but not more nervous as he waited to see if anyone would beat him than he did on the firing line.

Everyone knew his biggest threat would come from Ernie Cote, a St. Ignatius of Sanford junior who won the Western sectional last year with 48 of 50. Cote was one of the last to shoot. Although he missed his third try, he appeared on his

At Last, The End

Yesterday, it seems, there were wide-eyed sophomores wandering the halls of Scarborough High. Newly hatched juniors were receiving their rings, and dubious seniors were somewhat hesitantly taking their traditional lead in school affairs. As the year progressed, the classes settled into student life once again as they strove to develop their individuality and expand their ideas inside and outside the classroom. Each class finally adjusted to its new status and quickly established a fraternity with the other two. Students and faculty became fully acquainted just in time for midyears to test the endurance of everyone.

As soon as we reached the middle of the school year, everyone began to sense the beginning of the end—especially the Seniors. No sooner had all the senior pictures been received than plans were made for end-of-the year flings. The Senior Banquet and the Junior-Senior Prom were farewell affairs, and the seniors, much to their delight, began to practice marching to the strains of "Pomp and Circumstance" in preparation for the final day.

As the year came to an end, everyone looked back on a productive year and smiled secretly that he was now one step further ahead. The seniors were leaving the doors open for more students to live in, learn at, and graduate from Scarborough High School in all the years to come.

Loanne Leavitt (class of '68) is talking banking with Ben Graves, manager of Canal's Scarborough office.

During their discussion Ben asked Loanne why she had opened a savings account at Canal.

Loanne's answer was; "Because I think that it is the best place to put the money I am saving to pay for my college education. Also, my savings are working for me by earning a generous interest each year. This way, I figure that the bank will be paying for a part of my education with the interest they add to my savings."
