

Banga May 29/62

My Dear Governor

I have rec^d
a letter from Capt
Wm. Pitcher of the
Volunteers, dated
in advance of
Williamsburg, in
which he says he
has been acting
May a since the first
of April, and had
hoped you would
grant him a perma-
nent com: for this
position. I under-
stand him to say
Gen Berry had
written you on the
subject. I will

merely say, that within
my knowledge, there
is no man I would
sooner extend to any
office to which he
is appointed, than this man
Wm. Pitcher. He is
every thing you would
expect.

Truly &c
Respectfully
To His Excellency
I remain
Obedient
