1863-02-16 William A. Stevens recommends Lincoln Plummer for promotion

William A. Stevens

Waterville Feb. 16th 1863.

Gov. A. Coburn:

Dear Sir:- At the suggestion of Mr. Boothby, who tells me that you have mentioned the matter to him, I take occasion to communicate with you in reference to the vacancy existing in my Company ("E" - 16th Me. Vol.) -

The nomination of the Captain, for the position of Second Lieutenant, would be Lincoln K. Plummer of Jefferson - and this nomination would be heartily approved by Col. Tilden - As I know that Sergeant Plummer would be the first choice of both the Col. and Capt. I have no hesitation in saying that his immediate appointment would give satisfaction to all parties -

I have the honor to remain
Your Obedt Servt - J. M. A. Stevens.
