General -

Alonso & Ricker a corporal of Co "M," 1<sup>st</sup> Me Heavy Artillery Capt Mayo - having re-entered for 3 years Dec 19, 1863 - comes here & wishes his Town Bounty - his residence is Glenburn - though he is put down as of Banga - All the papers he has is his Furlough & Transporter Certificate -

What I wish to know is - am I safe to pay him this bounty, he says - you said it would be all right - I hold the papers of Glenburn to pay these bounties -

Ricker was in the 3<sup>rd</sup> Me Battery before he entered Co "M"

How does he stand on your books - I dont want to pay him this Bounty if he has had it or is
