For son Obe & Heintz
in Co. A. 2^d Reg.

Bangor Nov. 13th 1861
Governor Washburn

Dear Sir.

I understand there is a vacancy in
Co. A. 2^d Regt. of V. M. M. of 2nd Lieut.
my son went from here as a Private in
that Company he is orderly Sargent
now and I think it belongs to him
I understand they talk of sending out
of the Company for one that I
think they ought not to do as he
comes next in Promotion.

I saw Lieut. Brown today he said
my son was capable of performing
the duty of 2nd Lieutenant and
would make a first rate one and
hope you will do all in your Power

to make him 2nd Lieut. of that company
I think he is deserving of it and ought
to have it. it belongs to him.

Yours.

Thomas Tickey
