Genl J. S. Hogan

Dear Sir

I learnt that you  
Was about to raise a number of new Regts and  
Batties of light Artillery. If it be convenient  
For you to promote any one from Regt now  
In the field I would like to have a Commission  
In some of the new Regt about to be raised. I  
Should prefer Artillery as I have studied  
and studied Artillery more than Infantry.  
I served Eighteen months in the first Maine  
Heavy Artillery but a part of the time our Regt  
Was Infantry and Genl all I have to help  
or recommend me is myself for information as  
how I have conducted myself you can refer  
to any of my officers (Capt Daggett, Lieut. Ford  
or Sanford) but I am willing to go before any  
board that you should require me to

Trusting you will remember me

I Remain

Very Respectfully

Your Obedt Servt
