Fun... Students will fly in many
single/ twin engine aircraft both
land and sea!

Many professional military and civilian experts will introduce you to a wide variety of possible aviation careers

Your days will be filled with:

-  **Experience valuable leadership and teamwork sessions that will help you better understand the skills you'll need for a successful aviation career.**
-  **Hands on activities such as building and launching model rockets, plotting navigation courses, flight instruction lessons, and flight simulator experiencers.**
-  **Visiting airports, air traffic control facilities, military static tours of KC-135 and UH60 aircraft, plus many more....**
