

Portland Aug. 19 1862

Adjutant General Hodson —

Dear Sir,

The package of
black acts, sent by you was recd.
There was a mistake in the list of
names sent ~~by~~ you. It should be
x William F. Merrill: 5 others were,
have been transferred from 19th Regt.
to the 20th Regt.

James R. Merrill. ^{capt final}
_{enlistment}

x Samuel B. Libbey.

x Ephraim W. Pease.

I recd two packages of enlistments
of accepted men and one of rejected
men.

Dr. Newkirk being for exam
was too near. Dr. Herson is here
now and will probably examine the
remains. It is a great labor to
examine the enlistments but I think

I shall get through this week.

Yours truly

Lieut. Willie Wmance

Mustering officer 20th Regt. Me. Vols.

P.S. Two men who were mustered
into Co. A. wish to be transferred
to the cavalry and I send petition to that
effect;

Yours truly

Lieut. W. W. M
